645—81.8(152A) Licensure by reciprocal agreement. Rescinded IAB 1/14/09, effective 2/18/09.

645—81.9(152A) License renewal.

81.9(1) The biennial license renewal period for a license to practice dietetics shall begin on the sixteenth day of the licensee’s birth month and end on the fifteenth day of the licensee’s birth month two years later. The licensee is responsible for renewing the license prior to its expiration. Failure of the licensee to receive notice from the board does not relieve the licensee of the responsibility for renewing the license.

81.9(2) An initial license issued by the board may be valid for an 18- to 29-month period. When an initial license is renewed, it will be placed on a two-year renewal period identified in subrule 81.9(1).

81.9(3) A licensee seeking renewal shall:

a. Meet the continuing education requirements of rule 645—82.2(152A) and the mandatory reporting requirements of subrule 81.9(4). A licensee whose license was reactivated during the current renewal compliance period may use continuing education credit earned during the compliance period for the first renewal following reactivation; and

b. Submit the completed renewal application and renewal fee before the license expiration date.

81.9(4) Mandatory reporter training requirements.

a. A licensee who, in the scope of professional practice or in the licensee’s employment responsibilities, examines, attends, counsels or treats children in Iowa shall indicate on the renewal application completion of two hours of training in child abuse identification and reporting in the previous five years or condition(s) for waiver of this requirement as identified in paragraph “e.”

b. A licensee who, in the course of employment, examines, attends, counsels or treats adults in Iowa shall indicate on the renewal application completion of two hours of training in dependent adult abuse identification and reporting in the previous five years or condition(s) for waiver of this requirement as identified in paragraph “*e.*”

c. A licensee who, in the scope of professional practice or in the course of employment, examines, attends, counsels or treats both adults and children in Iowa shall indicate on the renewal application completion of training in abuse identification and reporting for dependent adults and children in the previous five years or condition(s) for waiver of this requirement as identified in paragraph “*e.*”

Training may be completed through separate courses as identified in paragraphs “*a*” and “*b*” or in one combined two-hour course that includes curricula for identifying and reporting child abuse and dependent adult abuse. The course shall be a curriculum approved by the Iowa department of public health abuse education review panel.

d. The licensee shall maintain written documentation for five years after mandatory training as identified in paragraphs “*a*” to “*c*,” including program date(s), content, duration, and proof of participation.

e. The requirement for mandatory training for identifying and reporting child and dependent adult abuse shall be suspended if the board determines that suspension is in the public interest or that a person at the time of license renewal:

(1) Is engaged in active duty in the military service of this state or the United States.

(2) Holds a current waiver by the board based on evidence of significant hardship in complying with training requirements, including an exemption of continuing education requirements or extension of time in which to fulfill requirements due to a physical or mental disability or illness as identified in 645—Chapter 82.

f. The board may select licensees for audit of compliance with the requirements in paragraphs “*a*” to “*e.*”

81.9(5) Upon receiving the information required by this rule and the required fee, board staff shall administratively issue a two-year license and shall send the licensee a wallet card by regular mail. In the event the board receives adverse information on the renewal application, the board shall issue the renewal license but may refer the adverse information for further consideration or disciplinary investigation.

81.9(6) A person licensed to practice dietetics shall keep the license certificate and wallet card(s) displayed in a conspicuous public place at the primary site of practice.

81.9(7) Late renewal. The license shall become late when the license has not been renewed by the expiration date on the wallet card. The licensee shall be assessed a late fee as specified in 645—subrule 84.1(3). To renew a late license, the licensee shall complete the renewal requirements and submit the late fee within the grace period.

81.9(8) Inactive license. A licensee who fails to renew the license by the end of the grace period has an inactive license. A licensee whose license is inactive continues to hold the privilege of licensure in Iowa, but may not practice as a dietitian in Iowa until the license is reactivated. A licensee who practices as a dietitian in the state of Iowa with an inactive license may be subject to disciplinary action by the board, injunctive action pursuant to Iowa Code section 147.83, criminal sanctions pursuant to Iowa Code section 147.86, and other available legal remedies.

81.9(9) Renewal of a reactivated license. A licensee who reactivates the license in accordance with rule 645—81.15(17A,147,272C) will not be required to renew the license until the next renewal two years later if the license is reactivated within six months prior to the license renewal date.

645—81.15(17A,147,272C) License reactivation. To apply for reactivation of an inactive license, a licensee shall:

81.15(1) Submit a reactivation application on a form provided by the board.

81.15(2) Pay the reactivation fee that is due as specified in 645—subrule 84.1(4).

(1) Verification of the license(s) from every jurisdiction in which the applicant is or has been licensed and is or has been practicing during the time period the Iowa license was inactive, sent directly from the jurisdiction(s) to the board office.
