[Prior to 3/23/88, see Foster Care Review Board[445] Ch 3]

489—3.1(237) Local boards. The child advocacy board shall establish local foster care boards throughout the state. The number of local boards needed and established shall be determined by the child advocacy board based on the number of children in foster care and available funding.

3.1(1) The child advocacy board is responsible for establishment of policy and procedures consistent with the Iowa Code. Local boards are required to comply with policies and procedures. If a local board does not agree with a policy or procedure, the local board may bring that issue to the child advocacy board for discussion and request a change by the board. If the child advocacy board upholds the policy, local boards must comply.

3.1(2) Day-to-day implementation of policy is delegated by the child advocacy board to administrative staff. Staff is responsible for bringing questions about policy issues to the child advocacy board for clarification or changes of policy.

3.1(3) Any written communication from a local review board or local board member, in the member's capacity as a board member, to state officials or media shall be sent to the child advocacy board office and reviewed by the administrator prior to its release.

This rule is intended to implement Iowa Code sections 17A.3 and 237.19.

b. The process will include consultation between the coordinator and coordinator's direct supervisor.

3.2(2) A person employed by the department of human services or the judicial department, an employee of an agency with which the department of human services contracts for services for children under foster care, a foster parent providing foster care, or a child-placing agency shall not serve on a local board.

3.2(3) Vacancies on a local board shall be filled in the same manner as original appointments are made.

3.2(4) The term of a local board member's appointment shall not exceed four years. The child advocacy board shall fix the tenure of individual appointments so that no more than one-third of the membership's terms expire in a given year. A local board member may serve continuous successive terms.

3.2(5) The administrator shall develop a local board member evaluation process. The local board coordinator shall complete the evaluation process at least once for each local board member during the member's four-year term. The local board coordinator, in consultation with the coordinator's direct supervisor, shall consider the results of the evaluation when determining whether to approve reappointment of the local board member to a successive term. Prior to any reappointment, the member shall complete updated background checks and a progress evaluation.

3.2(6) A quorum is established when a majority of local review board members or alternates are present. A quorum shall be present before cases can be reviewed and recommendations are formulated.
