- a. Authorize the executive director to issue the license, permit, or registration.
- b. Send the license, permit, or registration application to the board for further review and consideration.

11.10(2) Following review and consideration of a license, permit, or registration application referred by the license and registration committee, the board shall:

- a. Authorize the issuance of the license, permit, or registration,
- b. Deny the issuance of the license, permit, or registration, or
- c. Authorize the issuance of the license, permit, or registration under certain terms and conditions or with certain restrictions.

11.10(3) The license and registration committee or board may require an applicant to appear for an interview before the committee or the full board as part of the application process.

11.10(4) The license and registration committee or board may defer final action on an application if there is an investigation or disciplinary action pending against an applicant, who may otherwise meet the requirements for license, permit, or registration, until such time as the committee or board is satisfied that licensure or registration of the applicant poses no risk to the health and safety of Iowans.

11.10(5) The dental hygiene committee shall be responsible for reviewing any applications submitted by a dental hygienist that require review in accordance with this rule. Following review by the dental hygiene committee, the committee shall make a recommendation to the board regarding issuance of the license or permit. The board's review of the dental hygiene committee's recommendation is subject to 650—Chapter 1.

11.10(6) An application for a license, permit, or reinstatement of a license will be considered complete prior to receipt of the criminal history background check on the applicant by the FBI for purposes of review and consideration by the executive director, the license and registration committee, or the board. However, an applicant is required to submit an additional completed fingerprint packet

and fee within 30 days of a request by the board if an earlier fingerprint submission has been determined to be unacceptable by the DCI or FBI.

This rule is intended to implement Iowa Code section 153.33B.

650—11.11(147,153) Grounds for denial of application. The board may deny an application for license, registration or permit for any of the following reasons:

1. Failure to meet the requirements for license, registration or permit as specified in these rules.
2. Failure to provide accurate and truthful information, or the omission of material information.
3. Pursuant to Iowa Code section 147.4, upon any of the grounds for which licensure or registration may be revoked or suspended.
4. Pursuant to 650—Chapter 50, for having a disqualifying offense.

This rule is intended to implement Iowa Code section 147.4.
[ARC 5747C, IAB 7/14/21, effective 8/18/21; ARC 6673C, IAB 11/16/22, effective 12/21/22]

650—11.12(147) Denial of licensure—appeal procedure.

11.12(1) Preliminary notice of denial. Prior to the denial of licensure or registration to an applicant, the board shall issue a preliminary notice of denial that shall be sent to the applicant by regular, first-class mail. The preliminary notice of denial is a public record and shall cite the factual and legal basis for denying the application, notify the applicant of the appeal process, and specify the date upon which the denial will become final if it is not appealed.

11.12(2) Appeal procedure. An applicant who has received a preliminary notice of denial may appeal the notice and request a hearing on the issues related to the preliminary notice of denial by serving a request for hearing upon the executive director not more than 30 calendar days following the date when the preliminary notice of denial was mailed. The request is deemed filed on the date it is received in the board office. The request shall provide the applicant's current address, specify the factual or legal errors in the preliminary notice of denial, indicate if the applicant wants an evidentiary hearing, and provide any additional written information or documents in support of licensure.

11.12(3) Hearing. If an applicant appeals the preliminary notice of denial and requests a hearing, the hearing shall be a contested case and subsequent proceedings shall be conducted in accordance with rule 650—51.20(17A). License or registration denial hearings are open to the public. Either party may request issuance of a protective order in the event privileged or confidential information is submitted into evidence.

a. The applicant shall have the ultimate burden of persuasion as to the applicant's qualification for licensure.

b. The board, after a hearing on license or registration denial, may grant the license or registration, grant the license or registration with restrictions, or deny the license or registration. The board shall state the reasons for its final decision, which is a public record.

c. Judicial review of a final order of the board to deny a license or registration, or to issue a license or registration with restrictions, may be sought in accordance with the provisions of Iowa Code section 17A.19.

11.12(4) Finality. If an applicant does not appeal a preliminary notice of denial, the preliminary notice of denial automatically becomes final and a notice of denial will be issued. The final notice of denial is a public record.

11.12(5) Failure to pursue appeal. If an applicant appeals a preliminary notice of denial in accordance with subrule 11.10(2), but the applicant fails to pursue that appeal to a final decision within six months from the date of the preliminary notice of denial, the board may dismiss the appeal. The appeal may be dismissed after the board sends a written notice by first-class mail to the applicant at the applicant's last-known address. The notice shall state that the appeal will be dismissed and the preliminary notice of denial will become final if the applicant does not contact the board to schedule the appeal hearing within 14 days after the written notice is sent. Upon dismissal of an appeal, the preliminary notice of denial becomes final.

11.12(6) *Disqualifying offenses.* Any denial of licensure or registration based on a disqualifying offense is governed by 650—Chapter 50 and not this rule.

This rule is intended to implement Iowa Code sections 147.3 and 147.4.

650—11.13(252J) Receipt of certificate of noncompliance. The board shall consider the receipt of a certificate of noncompliance of a support order from the child support recovery unit pursuant to Iowa Code chapter 252J and 650—Chapter 33 of these rules. License denial shall follow the procedures in the statutes and board rules as set forth in this rule.

This rule is intended to implement Iowa Code chapter 252J.

650—11.14(272C) Licensure by verification. Licensure by verification is available in accordance with the following:

11.14(1) *Eligibility.* A dentist or dental hygienist may seek licensure by verification if the person is currently licensed as a dentist or dental hygienist in at least one other jurisdiction that has a scope of practice substantially similar to that of Iowa, the person has been licensed for a minimum of one year in the other jurisdiction and either:

- a. The person relocates and establishes residency in the state of Iowa; or
- b. The person is married to an active duty member of the military forces of the United States and is accompanying the member on an official permanent change of station to a military installation located in the state of Iowa.

11.14(2) *Board application.* The applicant must submit the following:

- a. A completed application for licensure.
- b. Payment of the application fee.
- c. A completed fingerprint packet to facilitate a criminal history background check by the DCI and FBI.
- d. A verification form, completed by the licensing authority in the jurisdiction that issued the applicant's license, verifying that the applicant's license in that jurisdiction complies with the requirements of Iowa Code section 272C.12. The completed verification form must be sent directly from the licensing authority to the board.
- e. Proof of residency in the state of Iowa or proof of military member's official permanent change of station. Proof of residency includes:
 - (1) A residential mortgage, lease, or rental agreement;
 - (2) A utility bill;
 - (3) A bank statement;
 - (4) A paycheck or pay stub;
 - (5) A property tax statement;
 - (6) A federal or state government document; or
 - (7) Any other board-approved document that reliably confirms Iowa residency.
- f. Evidence of successful completion of a board-approved jurisprudence examination with a grade of at least 75 percent.
- g. Copies of complete criminal record, if the applicant has a criminal history.
- h. A copy of the relevant disciplinary documents, if another jurisdiction has taken disciplinary action against the applicant.
- i. A written statement from the applicant detailing the scope of practice in the other state.
- j. Copies of relevant laws setting forth the scope of practice in the other state.

11.14(3) *Applicants with prior discipline.* If another jurisdiction has taken disciplinary action against an applicant, the board will determine whether the cause for the disciplinary action has been corrected and the matter has been resolved. If the board determines the disciplinary matter has not been resolved, the board will neither issue a license nor deny the application for licensure until the matter

is resolved. A person who has had a license revoked, or who has voluntarily surrendered a license, in another jurisdiction is ineligible for licensure by verification.

11.14(4) Applicants with pending complaints or investigations. If an applicant is currently the subject of a complaint, allegation, or investigation relating to unprofessional conduct pending before any regulating entity in another jurisdiction, the board will neither issue a license nor deny the application for licensure until the complaint, allegation, or investigation is resolved.

11.14(5) Temporary licenses. Applicants who satisfy all requirements for a license under this rule except for passing the jurisprudence examination may be issued a temporary license in accordance with the following:

- a. A temporary license is valid for a period of three months.
- b. A temporary license may be renewed once for an additional period of three months if the applicant has not failed the jurisprudence examination.
- c. A temporary licensee shall display the board-issued license renewal card that indicates the license is a temporary license, which will satisfy the requirements in rule 650—10.2(147,153).
- d. The temporary licensee must submit proof of passing the jurisprudence examination before the temporary license expires. When the temporary licensee submits proof of passing the jurisprudence examination, the temporary license will convert to a standard license and be assigned an expiration date consistent with standard licenses.
- e. If the temporary licensee does not submit proof of passing the jurisprudence examination prior to the expiration of the temporary license, the temporary licensee must cease practice until a standard license is issued.

This rule is intended to implement Iowa Code section 272C.12.
