The report and plan will be developed in accordance with 45 CFR Part 96, Subpart G, as amended to August 1, 2026. The report and plan will describe the services to be funded, the areas in which services are available, and the amount of funding available. The plan will also indicate the source of the funding.

153.1(2) The department will issue a proposed pre-expenditure report and intended use plan before publication of the final report and plan. The proposed report and plan will be available for public review and comment.

153.1(4) The department will accept comments about the pre-expenditure report and intended use plan during the specified public review and comment period.

153.1(5) The department will consider public comments when developing the final pre-expenditure report and intended use plan.

441—153.2(234) Amendment to pre-expenditure report and intended use plan.

153.2(1) The pre-expenditure report and intended use plan may be amended throughout the year. The department may file an amendment changing the type, scope or duration of a service. Decisions to change a direct service or state-purchased service will be made by the department. Prior to filing an amendment, the department will evaluate available funds and the effect any change will have on clients.

153.2(2) An amendment in the pre-expenditure report and intended use plan will be posted on the department's website at least 30 days prior to the effective date of the change. However, in the event funding for the service has been exhausted, an amendment will be posted immediately notifying the public that the service will no longer be available.

a. The department will, whenever possible, give advance notice of a service termination made necessary because funds have been exhausted.

b. When a service is added or extended, an amendment may be posted immediately, and a 30-day posting period is not required.

153.2(3) Individuals or groups may submit written comments to the department.

153.2(4) Nothing in this rule will supersede the requirement for notifying clients of adverse action as provided in rule 441—130.5(234).

441—153.3(234) Service availability.

153.3(1) A client seeking services shall apply for services from the department.

a. The department will determine eligibility according to rule 441—130.3(234).

b. The department will develop a case plan to monitor the client's progress toward achieving goals as identified in rule 441—130.7(234).

153.3(2) A client shall receive a service for which the client is eligible, subject to the provisions of 441—Chapter 130, when the service is listed in the geographic area in which the client resides.

153.3(3) When federal law prohibits the use of federal funds for the social services block grant, state funds shall be used to pay for services to persons the department has defined as eligible.

441—153.4(234) Allocation of block grant funds.

153.4(1) The department will follow a cost allocation plan for determining the appropriate administrative costs to be funded with block grant moneys.

153.4(2) Funding for services will be allocated in accordance with the annual budgeting process. The department's annual budget is available for review on the department's website. Costs may be shifted in and between service areas to ensure continued statewide availability of services.
[**ARC 0771D**, IAB 11/25/26, effective 1/1/27]

441—153.5(234) Expenditure of supplemental funds. When supplemental funds are issued through the social services block grant as emergency disaster relief, the department will administer the funds in compliance with the terms of the federal award.
