CHAPTER 10
PUBLIC RECORDS AND FAIR INFORMATION PRACTICES

The professional licensure division of the public health department hereby adopts, with the following exceptions and amendments, rules of the Governor’s Task Force on Uniform Rules of Agency Procedure relating to public records and fair information practices which are printed in the first Volume of the Iowa Administrative Code.

645—10.1(17A,22) Definitions. As used in this chapter:
“Board” means a particular professional licensing board.

645—10.3(17A,22) Requests for access to records.
10.3(1) Location of record. In lieu of the words “(insert agency head)“, insert “board administrator” or the particular agency office where the record is kept. If a request for access to a record is misdirected, agency personnel will promptly forward the request to the Professional Licensure Division, Lucas State Office Building, Des Moines, Iowa 50319-0075.

10.3(2) Office hours. Open records shall be made available during all customary office hours, which are 8 a.m. to 4:30 p.m. excluding Saturdays, Sundays and legal holidays.

10.3(7) Fees.
  c. Search and supervisory fee. An hourly fee may be charged for actual agency expenses in searching for and supervising the examination and copying of requested records when the time required is in excess of one hour. The custodian shall prominently post in agency offices the hourly fees to be charged for search and supervision of records. That hourly fee shall not be in excess of the hourly wage of an agency clerical employee who ordinarily would be appropriate and suitable to perform this supervisory function.

645—10.5(17A,22) Request for treatment of a record as a confidential record and its withholding from examination.
10.5(7) This rule does not allow a person to request confidential record status for records of licensee disciplinary proceedings which are required by law to be public records.

645—10.6(17A,22) Procedures by which additions, dissents, or objections may be entered into certain records. In lieu of the words “(designate office)” insert “the board administrator”.

645—10.9(17A,22) Disclosures without the consent of the subject.
10.9(1) Open records are routinely disclosed without the consent of the subject.
10.9(2) To the extent allowed by law, disclosure of confidential records occurs without the consent of the subject. Following are instances where disclosure, if lawful, will generally occur without consent of the subject:
   a. For a routine use as defined in rule 10.10(17A,22) or in the notice for a particular record system.
   b. To a recipient who has provided the board with advance written assurance that the record will be used solely as a statistical research or reporting record, provided that the record is transferred in a form that does not identify the subject.
   c. Investigative information in the possession of a licensing board or its employees or agents which relates to licensee discipline may be disclosed to appropriate licensing authorities within this state, the appropriate licensing authority in another state, the District of Columbia, or territory or country in which the licensee is licensed or has applied for a license. If the investigative information in the possession of a licensing board or its employees or agents indicates a crime has been committed, the information shall be reported to the proper law enforcement agency.
   d. To the legislative services agency under Iowa Code section 2A.3.
   e. Disclosures in the course of employee disciplinary proceedings.
   f. In response to a court order or subpoena.
645—10.10(17A,22) Routine use.

10.10(1) Defined. “Routine use” means the disclosure of a record without the consent of the subject or subjects, for a purpose which is compatible with the purpose for which the record was collected. It includes disclosures required to be made by statute other than the public records law, Iowa Code chapter 22.

10.10(2) To the extent allowed by law, the following uses are considered routine uses of all board records:
   a. Disclosure to those officers, employees, and agents of the board who have a need for the record in the performance of their duties. The custodian of the record may, upon request of any officer or employee, or on the custodian’s own initiative, determine what constitutes legitimate need to use confidential records.
   b. Disclosure of information indicating an apparent violation of the law to appropriate law enforcement authorities for investigation and possible criminal prosecution, civil court action, or regulatory order.
   c. Disclosure to the department of inspections and appeals and the attorney general’s office for the matters in which it is performing services or functions on behalf of the board.
   d. Transfers of information within the board office and among board members, to other state boards and departments, or to local units of government as appropriate to carry out the board’s statutory authority.
   e. Information released to staff of federal and state entities for audit purposes or for purposes of determining whether the board is operating a program lawfully.
   f. Any disclosure specifically authorized by the statute under which the record was collected or maintained.
   g. Disclosure to the public and news media of pleadings, motions, orders, final decisions and informal settlements filed in licensee disciplinary proceedings.
   h. Transmittal to the district court of the record in a disciplinary hearing, pursuant to Iowa Code section 17A.19(6), regardless of whether the hearing was open or closed.

645—10.11(17A,22) Consensual disclosure of confidential records.

10.11(1) Consent to disclosure by a subject individual. To the extent permitted by law, the subject may consent in writing to board disclosure of confidential records as provided in rule 10.7(17A,22).

10.11(2) Complaints to public officials. A letter from a subject of a confidential record to a public official which seeks the official’s intervention on behalf of the subject in matter that involves the board may, to the extent permitted by law, be treated as an authorization to release sufficient information about the subject to the official to resolve the matter.

645—10.12(17A,22) Release to subject.

10.12(1) The subject of a confidential record may file a written request to review confidential records about that person as provided in rule 10.6(17A,22). However, the board need not release the following records to the subject:
   a. All information in licensee complaint and investigation files maintained by the board for purposes of licensee discipline is required to be withheld from the subject prior to the filing of formal charges and the notice of hearing in a licensee disciplinary proceeding.
   b. Records need not be disclosed to the subject when they are the work product of an attorney or are otherwise privileged.
   c. Peace officers’ investigative reports may be withheld from the subject, except as required by the Iowa Code. (See Iowa Code section 22.7(5))
   d. As otherwise authorized by law.

10.12(2) Where a record has multiple subjects with interest in the confidentiality of the record, the board may take reasonable steps to protect confidential information relating to another subject.
645—10.13(17A.22) Availability of records.

10.13(1) General. Board records are open for public inspection and copying unless otherwise provided by rule or law.

10.13(2) Confidentiial records. The following records may be withheld from public inspection. Records are listed by category, according to the legal basis for withholding them from public inspection.

(1) Enable law violators to avoid detection;

(3) Give a clearly improper advantage to persons who are in an adverse position to the board. (All under Iowa Code sections 17A.2 and 17A.3)

This rule describes the nature and extent of personally identifiable information which is collected, maintained, and retrieved by the board by personal identifier in record systems as defined in rule 10.1(17A.22). For each record system, this rule describes the legal authority for the collection of that information, and the means of storage of that information. The board does not use a data processing system to match, collate, or permit the comparison of personally identifiable information in one record system with personally identifiable information in another record system. The record systems maintained by the board are:

These records are routinely available to the public. However, the board’s files of these records listed in subrules 10.14(1) to 10.14(6) may contain information about individuals. The only information stored electronically is names, addresses, current status of licenses, licensee number and statistical information pertaining to individuals.
