199—4.6(17A) Service and filing of petitions and other papers.

4.6(1) *When service required.* Except where otherwise provided by law, every petition for declaratory order, petition for intervention, brief, or other paper filed in a proceeding for a declaratory order shall be served upon each of the parties of record to the proceeding and on any persons who, based upon a reasonable investigation, would be a necessary party to the proceeding under applicable substantive law, simultaneously with their filing. The party filing a document is responsible for service on all parties and other required persons.

4.6(2) *Filing—when required.* All petitions for declaratory orders, petitions for intervention, briefs, or other papers filed in a proceeding for a declaratory order shall be filed with the Executive Secretary, Iowa Utilities Board, 1375 E. Court Avenue, Room 69, Des Moines, Iowa 50319-0069. All petitions, briefs, or other papers that are required to be served upon a party shall be filed simultaneously with the utilities board.

4.6(3) *Method of service, time of filing, and proof of mailing.* Method of service, time of filing, and proof of mailing shall be as provided by 199—subrule 7.6(1).

[Editorial change: IAC Supplement 12/29/10]

199—4.7(17A) Agency consideration. Upon request by petitioner, the utilities board must schedule a brief and informal meeting between the original petitioner, all intervenors, and the utilities board, a member of the utilities board, or a member of the staff of the utilities board to discuss the questions raised. The utilities board may solicit comments from any person on the questions raised. Also, comments on the questions raised may be submitted to the utilities board by any person.

199—4.8(17A) Action on petition. Within the time allowed by 1998 Iowa Acts, chapter 1202, section 13(5), after receipt of a petition for a declaratory order, the utilities board or designee shall take action on the petition as required by 1998 Iowa Acts, chapter 1202, section 13(5).

199—4.9(17A) Refusal to issue order.

4.9(1) The utilities board shall not issue a declaratory order where prohibited by 1998 Iowa Acts, chapter 1202, section 13(1), and may refuse to issue a declaratory order on some or all of the questions raised for the following reasons:

1. The question does not substantially comply with the required form.
2. The petition does not contain facts sufficient to demonstrate that the petitioner will be aggrieved or adversely affected by the failure of the utilities board to issue an order.
3. The utilities board does not have jurisdiction over the questions presented in the petition.
4. The questions presented by the petition are also presented in a current rule making, contested case, or other agency or judicial proceeding, that may definitively resolve them.
5. The questions presented by the petition would more properly be resolved in a different type of proceeding or by another body with jurisdiction over the matter.
6. The facts or questions presented in the petition are unclear, overbroad, insufficient, or otherwise inappropriate as a basis upon which to issue an order.
7. There is no need to issue an order because the questions raised in the petition have been settled due to a change in circumstances.
8. The petition is not based upon facts calculated to aid in the planning of future conduct but is, instead, based solely upon prior conduct in an effort to establish the effect of that conduct or to challenge an agency decision already made.
9. The petition requests a declaratory order that would necessarily determine the legal rights, duties, or responsibilities of other persons who have not joined in the petition, intervened separately,

or filed a similar petition and whose position on the questions presented may fairly be presumed to be adverse to that of the petitioner.

10. The petitioner requests the utilities board to determine whether a statute is unconstitutional on its face.

4.9(2) A refusal to issue a declaratory order must indicate the specific grounds for the refusal and constitutes final utilities board action on the petition.

4.9(3) Refusal to issue a declaratory order pursuant to this provision does not preclude the filing of a new petition that seeks to eliminate the grounds for the refusal to issue an order.

199—4.10(17A) Contents of declaratory order—effective date. In addition to the order itself, a declaratory order must contain the date of its issuance, the name of the petitioner and all intervenors, the specific statutes, rules, policies, decisions, or orders involved, the particular facts upon which it is based, and the reasons for its conclusions.

A declaratory order is effective on the date of issuance.

199—4.11(17A) Copies of orders. A copy of all orders issued in response to a petition for a declaratory order shall be mailed promptly to the original petitioner and all intervenors.

199—4.12(17A) Effect of a declaratory order. A declaratory order has the same status and binding effect as a final order issued in a contested case proceeding. It is binding on the utilities board, the petitioner, and any intervenors who consent to be bound and is applicable only in circumstances where the relevant facts and the law involved are indistinguishable from those on which the order was based. As to all other persons, a declaratory order serves only as precedent and is not binding on the utilities board. The issuance of a declaratory order constitutes final agency action on the petition.

These rules are intended to implement 1998 Iowa Acts, chapter 1202, section 13, and Iowa Code section 476.1.
