[Prior to 7/29/87, Health Department[470] Ch 73]

**641—73.1(135) Program explanation.** The Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) is a federal program operated pursuant to agreement with the states. The purpose of the program is to provide supplemental foods and nutrition education to eligible pregnant, postpartum, and breastfeeding women, infants, and young children from families with inadequate incomes. The WIC program is administered on the federal level by the U.S. Department of Agriculture, Food and Nutrition Service (FNS). The Iowa department of public health serves as the administering agency for the state of Iowa. The Iowa department of public health enters into contracts with selected local agencies on an annual basis for the provision of WIC services to eligible participants.

[ARC 2839C, IAB 12/7/16, effective 1/11/17]

#### **641—73.6(135) Certification of participants.** The certification process to determine eligibility for WIC services, as defined in 7 CFR 246.7, shall include the following procedures and definitions:

**73.6(1)** *Application.* Information on identity, address, family incomes, and nutritional risk must be collected in accordance with the Iowa WIC Policy and Procedure Manual.

**73.6(2)** *Income.*

a. The income guidelines used shall be the same as the National School Lunch Program guidelines for reduced price school lunches, which are equal to 185 percent of the current federal poverty guidelines. Definitions of income are mandated by federal regulation and are described in the Iowa WIC Policy and Procedure Manual. Revised dollar figures for the 185 percent poverty level are published annually in the Federal Register and become effective for WIC no later than July 1 following their publication. Copies of the income definitions and monetary guidelines are available from the department.

b. Applicants must provide the contract agency written proof of their income as part of each certification process, pursuant to the Iowa WIC Policy and Procedure Manual.

**73.6(3)** *Time frame for services.*

a. The date of initial visit shall be the day on which an applicant first requests services from a contract agency. A visit to another program office to complete a common application form does not constitute an initial visit.

b. Pregnant women shall be certified for the duration of their pregnancy and for up to six weeks postpartum. Pregnant women precertified with referral data require a full certification within 30 days.

c. Priority II infants precertified with referral data require a full certification within 30 days of the infant's birth.

**73.6(4) Medical equipment.**

a. Medical equipment used in conducting WIC clinics shall be subject to approval by the department.

b. Standards for conducting the medical and nutritional assessments on WIC program applicants shall be as described in the Iowa WIC Policy and Procedure Manual.

c. Medical equipment shall be recalibrated in accord with procedures outlined in the Iowa WIC Policy and Procedure Manual.

**73.6(5) Documentation of health and nutrition information.** Documentation of health and nutrition information in individual participant records shall be as described in the Iowa WIC Policy and Procedure Manual.

a. *Designation by chief state health officer.* The chief state health officer must designate in writing the permitted non-WIC uses of the information and the names of the organizations to which such information may be disclosed.

b. *Notice to applicants and participants.* The applicant or participant will be notified at the time of application (in accordance with 7 CFR 246.7(i)(11)) or through a subsequent notice that the chief state health officer may authorize the use and disclosure of information about an applicant's or participant's participation in the WIC program for non-WIC purposes. This statement will also indicate that such information will be used by state and local WIC agencies and public organizations only in the administration of programs that serve persons eligible for the WIC program.

c. *Written agreement and policy and procedure manual.* The state or local agency disclosing the information will enter into a written agreement with the other public organization or, in the case of a non-WIC use by a state or local WIC agency, the unit of the state or local agency that will be using the information. The department will also include in the Iowa WIC Policy and Procedure Manual, as specified in 7 CFR 246.4(a)(24), a list of all organizations (including units of the department or local agencies) with which the department or its local agencies have executed or intend to execute a written agreement. The written agreement must:

(1) Specify that the receiving organization may use the confidential applicant and participant information only for:

1. Establishing the eligibility of WIC applicants or participants for the programs that the organization administers;

2. Conducting outreach to WIC applicants and participants for such programs;

3. Enhancing the health, education, or well-being of WIC applicants or participants who are currently enrolled in such programs, including the reporting of known or suspected child abuse or neglect that is not otherwise required by state law;

4. Streamlining administrative procedures in order to minimize burdens on staff, applicants, or participants in either the receiving program or the WIC program; or

5. Assessing and evaluating the responsiveness of a state's health system to participants' health care needs and health care outcomes; and

(2) Contain the receiving organization's assurance that the organization will not use the information for any other purpose or disclose the information to a third party.

[ARC 2839C, IAB 12/7/16, effective 1/11/17]

**641—73.7(135) Food delivery.** Food delivery refers to all aspects of the method by which WIC participants receive food benefits, including but not limited to the issuing, distribution, and processing of personal food instruments redeemable through retail food markets and the statewide banking system. Food delivery shall be uniform throughout the state as provided for by these rules.

**73.7(1) Responsibilities of WIC participants.**

a. *Prompt redemption of food instruments.* A WIC participant must redeem WIC benefits within the validated date of use.

b. *Claiming food instruments and benefits.* Enrolled participants are required to appear in person to claim food instruments and benefits when they have appointments to certify or have nutrition education contacts. Missed attendance may entitle contract agencies to deny that month's benefit. A proxy may pick up food instruments as described in the Iowa WIC Policy and Procedure Manual.

c. *Adherence to standards for use of the food instrument.* The WIC participant in using the WIC food instrument to obtain the specified foods shall:

(1) At the time of receipt of food benefits in the clinic, electronically sign that food benefits were received.

(2) Swipe the eWIC card at the vendor's ECR and enter the participant's PIN at point of purchase.

(3) Not accept money in exchange for unused food benefits or portions of the food allotment.

(4) Attempt to redeem food benefits only with a WIC-contracted vendor.

**73.7(2) Responsibilities of contract agencies.**

a. *Loss or theft of food instruments.* The contract agency is responsible for any financial loss due to theft or other loss of food instruments from clinics. Steps for minimizing the chances of theft or loss are followed in accord with the Iowa WIC Policy and Procedure Manual.

b. *Mailing of WIC food instruments.* Mailing of food instruments to participants is allowed only in specific situations as described in the Iowa WIC Policy and Procedure Manual. Any mailing of WIC food instruments on a clinicwide basis must have prior approval from the state.

c. *Training/monitoring of WIC vendors.* The contract agency shall communicate information regarding the Iowa WIC program to vendors, as instructed by the department. Monitoring and training of vendors and securement of contracts shall be carried out in accordance with department directives outlined in the Iowa WIC Policy and Procedure Manual.

d. *Food instrument/benefits distribution on non-clinic days.* It is the policy of the Iowa WIC program to ensure maximum accessibility to program benefits by establishing alternate procedures for distributing WIC food instruments to participants on days other than regularly scheduled clinic days when the participant notified the contract agency on or before the clinic day of the participant's inability to appear at the clinic. Each contract agency shall establish written guidelines for assessing the adequacy of reasons presented for inability to appear and shall establish written procedures for alternative means of food instrument/benefits distribution when a participant timely presents adequate reasons for inability to appear on a regularly scheduled clinic day. These written guidelines and procedures shall be subject to review and approval by the department.

**73.7(3) Responsibilities of department.** Provision of foods through retail grocers and special purpose vendors is an integral part of the WIC program's function. It is the responsibility of the department to ensure that there are a sufficient number of vendors authorized to provide reasonable access for WIC participants. The department also has an obligation to ensure that both food and administrative funds are expended in the most efficient manner possible. As with all other purchases made by state government, this means that all vendors must meet minimum criteria for approval. The Iowa WIC program does not limit the number of vendors that may participate in the agency service area. A retailer that intends to derive more than 50 percent of annual revenue of the sale of food items from the redemption of WIC food instruments will not be allowed. The department shall be responsible for the following:

a. *Approving or denying vendor applications.* The department shall determine if applications meet the mandatory specifications in 73.7(4) and meet the minimum review points in 73.7(4) for a subsequent agreement.

b. Compiling the statewide or local area composite data against which vendor applications are reviewed, determining if applications meet the selection criteria which require use of that data, providing training, and signing the initial authorization agreement if a vendor is determined eligible.

c. Developing procedures, forms, and standards for agencies to use in conducting on-site review of vendor applications, monitoring, compliance buys, educational buy monitoring, or compliance investigations as defined in 73.7(5).

d. Determining when compliance investigation activities are necessary to verify WIC program violations, developing or approving standards and procedures to be used in conducting the activities, and arranging for an appropriate state or private agency to conduct the compliance buying investigation as required.

e. Providing to vendors written notice of WIC program violations and sanctions.

f. Ensuring that activities related to eWIC follow information provided by FNS's WIC EBT operating rules, WIC EBT Technical Implementation Guide and FNS Handbook 901.

**73.7(4) Responsibilities of WIC vendors.** A potential vendor shall make application to the Iowa department of public health WIC program and shall accept the obligations imposed by the signing of a WIC vendor agreement prior to acceptance of any WIC food instrument. The two categories for which any potential vendor may apply are grocery vendors and special purpose vendors. A retailer that intends to derive more than 50 percent of annual revenue of the sale of food items, for grocery vendors, or of infant and special medical formula, for special purpose vendors, from the redemption of WIC food instruments will not be approved.

a. *Grocery vendor agreement.* To qualify for a grocery vendor agreement with the Iowa WIC program, a retail outlet shall meet all of the following criteria:

(1) The vendor must stock all of the following categories of items to be defined as a grocery vendor: a minimum of 5 linear feet of raw fruits and vegetables; a minimum of 12 linear feet of unbreaded fresh or frozen meats and poultry (prepackaged luncheon meats do not qualify); canned and frozen vegetables; dairy products; cereals; and breads.

(2) No more than 20 percent of the vendor's gross retail sales may be from the sale of gasoline or other automotive supplies.

(3) No more than 20 percent of the vendor's gross retail sales may be from the sale of alcoholic beverages and tobacco products.

(4) The vendor must maintain regular business hours. This shall include a minimum of two 4-hour blocks of time on each of five days per week. Daily operating hours shall be consistent from week to week and shall be posted.

(5) The vendor must stock the minimum variety and quantity of WIC-approved foods as defined in the latest revised version of the Iowa WIC vendor application.

1. The specific brands of products that are included on the WIC-approved food list shall be made available to the vendor at the time of application and prior to renewal of each agreement.

2. The variety and quantity in stock are defined as including both inventory on display and in on-premises storage, but not inventory on order from suppliers.

(6) The vendor must purchase formula only from state-licensed wholesalers, distributors, retailers, and infant formula manufacturers registered with the Food and Drug Administration (FDA) through a list maintained by the WIC program.

(7) A vendor shall charge a price to WIC participants that is equal to or less than the price charged to all other customers. The prices charged to WIC participants for the average of all WIC items, as reported on the application, at the time of the on-site review, and throughout the agreement period, shall not exceed 105 percent of the average prices of all other WIC vendors in the same peer group. The vendor's average price for any category of WIC items, as reported on the application, at the time of the on-site review, and throughout the agreement period, shall not exceed 115 percent of the average price charged for the same category by all other WIC vendors in the same peer group. Categories refer to the broad groupings of items rather than specific brands. For purposes of making the price comparisons, the average price for all other WIC vendors in the peer group shall be computed from the most recent Price Assessment Reports on file from those vendors. If a vendor intends to comply with this provision by

charging WIC participants a lower price than the price charged to other customers, the WIC price for each approved item must be identified on the package or shelf front.

(8) Vendors will also be selected based on access to WIC participants. If at all possible, at least one vendor contract will be maintained in rural counties where a WIC clinic is located. The Iowa WIC program does not limit the number of vendors that may participate in the agency service area.

(9) The vendor must have a current state of Iowa food establishment license.

(10) The vendor must consistently identify WIC products by using shelf labels that meet specific criteria and price points as described in the WIC Vendor Instructions and Agreement Booklet as found in the Iowa WIC Policy and Procedure Manual.

(11) The vendor must not have had a Supplemental Nutrition Assistance Program (SNAP) disqualification or civil monetary penalty imposed within the 12 months preceding the date of the application or reauthorization.

(12) The vendor must not have had a WIC program suspension imposed or a WIC application denied within the six-month period preceding the date of the application.

(13) The vendor must not have had a conviction or civil judgment for any activity that indicates a lack of business integrity against any of the officers or owners during the previous six years.

(14) The vendor must accept training on WIC program regulations prior to signing an agreement and must agree to provide training to all employees who will handle WIC food instruments prior to accepting any food instruments.

(15) The vendor must agree to adhere to all provisions of the WIC Vendor Instructions and Agreement Booklet as found in the Iowa WIC Policy and Procedure Manual.

b. *Special purpose vendor.* To qualify as a special purpose vendor, a retail outlet shall meet all of the following criteria:

(1) The vendor may be primarily a retailer of any type of merchandise but shall be authorized to provide only specified infant formula in exchange for WIC food instruments.

(2) The vendor must be able to provide the specified formula within 48 hours; 72 hours if a weekend or holiday is involved.

(3) The prices charged to WIC participants must be equal to or less than the prices charged to all other customers. The average price of each brand of infant formula sold to WIC participants as reported must not exceed the average price of the same brands of infant formula charged by all authorized WIC grocery vendors in the same peer group.

(4) The vendor shall meet the criteria in paragraph 73.7(4) "a," subparagraphs (2) through (4), (6) through (8), and (10) through (15), for grocery vendors.

(5) The vendor must agree to adhere to applicable provisions of the WIC Vendor Instructions and Agreement Booklet as found in the Iowa WIC Policy and Procedure Manual.

c. *Application review.* The department shall review each vendor application within five working days of receipt and determine if the information provided indicates that the retail outlet meets the selection criteria. If the application shows that the vendor does not meet one or more of the criteria, the department shall deny the application. If the vendor's application indicates that the vendor would qualify, the department or contract agency shall make an on-site visit to verify that the information provided in the application is correct, to provide training, and sign the agreement. If the department or contract agency finds that the vendor has two or more types of out-of-date, stale, or moldy WIC foods in stock during the on-site visit, the vendor's application may be denied. If the contract agency or department determines during the on-site visit that the vendor does not qualify, the contract agency or department shall not sign the agreement. Within five working days of disapproving an application or agreement, the department will advise the vendor in writing of the reasons for denial of the application and the procedure for appeal. During the on-site visit, the contract agency representative is acting as an agent of the department and has the authority to approve or deny an application.

A vendor that is denied an agreement, either at the application review level or at the on-site review, is required to wait six months prior to submitting a new application. Prior to completing its review, the department may, at its discretion, request a vendor to resubmit an application if the application has not been completed to the extent that a determination of eligibility can be made.

*d. Reauthorization.* If ownership of an authorized vendor changes during the agreement period, the agreement becomes void. The new owner must file an application and be approved prior to accepting WIC food instruments. Vendor agreements are valid only for the period of time specified, and a vendor may not continue accepting food instruments past the expiration date unless a new agreement is signed. When a currently authorized vendor makes application for a subsequent agreement, an agreement shall be signed only if the vendor has been assessed less than 60 violation points under paragraph 73.19(2) "b" during a contract period.

Vendors must complete a new application and sign a new WIC vendor agreement at least every three years to continue accepting WIC food instruments.

The department shall send the vendor written notice at least 30 days prior to the expiration of the agreement that it does not intend to offer the vendor a new agreement if the vendor has been assessed 60 or more violation points under paragraph 73.19(2) "b" during a contract period or if any of the following conditions are in effect:

(1) The vendor has failed to submit any of the preceding year's Price Assessment Reports by the specified dates.

(2) Any of the selection criteria listed in 73.7(4) "a" and "b" above are no longer met.

Expiration of a WIC agreement is not subject to appeal. A vendor who is not offered a new agreement by the department has the right to file a new application. If that application is denied, the vendor has the right to appeal.

*e. Training.* Vendors shall accept training in WIC program policies and procedures at the on-site review prior to becoming an authorized vendor and shall be responsible for training all employees who will be handling WIC food instruments. The manager and person responsible for staff training must allow time at this visit for training; the agreement will not be signed until training is completed. Vendors shall be responsible for all actions of their employees in conducting WIC transactions.

If violations of WIC program policies and procedures are documented, either through on-site monitoring or other indirect means, the vendor shall implement a corrective action training plan developed jointly by the vendor and the department or contract agency.

*f. Cooperation during monitorings.* Contracted WIC vendors shall cooperate with department and contract agency staff who are present on site to monitor the vendor's WIC activities.

*g. Reimbursement to the WIC program.* Vendors determined by the department to have collected more moneys than the true value of food items received shall make reimbursement to the department.

**73.7(5) *Vendor monitoring.*** To maintain WIC program integrity and accountability for federal or state program funds, the department and contract agencies shall conduct ongoing monitoring of authorized vendors, both through on-site visits and through indirect means. A sample of 10 percent of currently authorized vendors receives on-site monitoring every year. Vendors that change ownership during the year or that apply during the contract period receive an on-site visit prior to signing an agreement. The types of on-site monitoring are defined as follows:

*a.* Routine or representative monitoring is used for vendors for which there is no record of violations or complaints or other indication of problems. It may include any or all of the following: use of a food instrument or observation of a participant, educational buys, review of inventory levels, review of vendor policies on return items, and review of employee training procedures. The results of the monitoring are reviewed with the owner or manager on duty, and a follow-up letter confirming the findings is sent from the department. Routine monitoring may be performed by the department or by contract agency staff under the direction of the department. Depending on the nature and severity of violations noted, the department may schedule additional visits, initiate a compliance investigation, or apply sanctions.

Educational buy monitoring is a specialized type of routine monitoring. Department or contract agency staff attempt to use a WIC food instrument to purchase unauthorized types or brands of foods to test the level of training of vendor employees. At the conclusion of the transaction, the results of the buy are discussed with the vendor owner or manager on duty. The transaction is then voided, and the merchandise returned to the shelves. Educational buys are used on authorized vendors selected by the department. If unauthorized items are allowed to be purchased, the vendor shall agree to a corrective

action training plan. A follow-up educational buy is scheduled within 30 to 90 days. A letter is sent from the department documenting the violation. By signing a WIC agreement, a vendor gives consent for educational buys by the department or contract agency. Vendors are not notified in advance that an educational buy is scheduled. The protocol for educational buys, including procedures, appropriate items to purchase, and forms to be used, is specified in the Iowa WIC Policy and Procedure Manual.

b. Electronic monitoring is examination of indicators tracked in the vendor computer database. It allows the analysis of data collected via computer from the contract agencies and the state's bank, from which patterns indicating compliance with or deviation from established patterns for Iowa WIC vendors emerge. Data is collected daily and reviewed on an ongoing basis. Trends identified can necessitate another type of monitoring, depending on the nature of each exception.

c. Compliance investigations may be used for any vendors. Compliance investigations will be conducted annually in a minimum percentage of vendors as mandated in federal regulations. A compliance investigation includes a sufficient number of compliance buys to provide evidence of WIC program noncompliance, two compliance buys in which no WIC program violations are found, or when an inventory audit has been completed. A compliance buy means a covert, on-site investigation in which a representative of the WIC program poses as a participant, parent or caretaker, or proxy, transacts one or more food instruments and does not reveal during the visit that he or she is a WIC representative. Compliance buys may be performed by the department or another state agency or private company under contract with the department. The department is responsible for identifying the vendors to be investigated and for approving the protocol to be used during the investigation. Upon completion of a compliance buy documenting WIC program violations, the department shall issue the vendor a notice of violation points assessed unless such notification would hinder an investigation.

The department also monitors vendor performance through in-office review of information. Such information, specifically the total amount of WIC redemptions, is confidential as provided for in Iowa Code section 22.7(6). This business information could provide an advantage to competitors and would serve no public purpose if made available.

**641—73.8(135) Food package.** The authorized supplemental foods shall be prescribed for participants by a CPA in the contract agency from food packages outlined in 7 CFR 246.10 and in accordance with the following:

**73.8(1) Prescription of foods.** Food packages shall maintain a balance between cost and nutrition integrity. There are two components to this balance: (1) administrative adjustments by the department; and (2) nutrition tailoring by both the department and the CPA in the contract agencies.

a. Administrative adjustments include restrictions in the packaging methods, brands, sizes, types, and forms (but not quantities) of the federally allowable foods in order to establish the approved food list for the state. Administrative adjustments include decisions to eliminate more expensive brands or prohibit more costly food items allowed by regulations. Criteria for considering foods for inclusion in the approved food list are found in 73.8(3).

b. Nutrition tailoring includes changes or substitutions to food types, forms, and quantities in order to prescribe food packages that better meet the nutritional needs of participants. Tailoring is done to reduce quantities of foods based on nutritional needs, to accommodate participant preferences, to accommodate household conditions, such as lack of refrigeration or other special needs and problems of homeless or transient participants, and to recommend or prescribe specific forms of the allowable WIC foods based upon a participant's nutritional needs or goals.

**73.8(2) Tailoring to meet individual nutritional needs.** Food packages are individually tailored to meet the needs of specific participants according to USDA regulations and the Iowa WIC Policy and Procedure Manual.

**73.8(3) Criteria for approving products for inclusion in the WIC food package.**

- a. A product shall meet the federal regulations governing the WIC food package.
- b. Variety in the food package is encouraged to increase the likelihood of products being used and to allow participants to exercise responsibility in shopping.

c. Changes to the approved food list take effect on October 1 in years when new vendor contracts are signed. Inquiries from food companies about new and continuing products must be received prior to February 1 of the year vendor contracts expire to be guaranteed consideration. The state reserves the right to change the food list more frequently if necessary.

d. Cereals shall meet federal guidelines for content and shall also meet the following conditions:

(1) If a group of cereals from one manufacturer have similar names and package designs and some of the cereals do not qualify, the department reserves the right to not approve those types that would otherwise qualify, to reduce the potential for confusion by retail vendors and participants.

(2) The brand is carried by current Iowa WIC-approved vendors. Any private-label (store) brands that meet the selection criteria will also be considered.

(3) The department reserves the right to limit the number of approved cereals for administrative efficiency.

e. Juices shall meet the federal guidelines for vitamin C content and all of the following conditions:

(1) Juices are 100 percent juice and contain no added sugar, sweeteners or artificial sweeteners.

(2) The brand is carried by current Iowa WIC-approved vendors. Any private-label (store) brands that meet the selection criteria will also be considered.

(3) The product form and marketing approach are consistent with the promotion of good nutrition and education.

(4) If a group of juices from one manufacturer have similar names and package designs and some of the juices do not qualify, the department reserves the right to not approve those types that would otherwise qualify, to reduce the potential for confusion by retail vendors and participants. Single-strength and concentrated varieties of juice with the same brand name will be evaluated separately.

(5) Frozen fruit juices must be single flavors.

f. The following conditions apply to dairy products:

(1) To qualify, brands of whole, 1%, or fat-free skim milk marketed in Iowa must contain or be fortified with vitamins A and D to meet the federal standards. The department reserves the right to disqualify brands which have a retail value of 115 percent or higher than the state average for this product.

(2) Fluid milk with added bacterial cultures or enzymes, including but not limited to sweet acidophilus or lactose-reduced milk, may qualify. Brands are approved by the department on a case-by-case basis.

(3) All brands of natural cheese designated in the USDA WIC regulations qualify. The cheese shall have no added flavors (e.g., smoke flavoring, peppers, wine).

(4) Yogurt shall meet federal guidelines for content and shall also meet the following conditions:

1. The brand is carried by current Iowa WIC-approved vendors.

2. Nonfat, lowfat, and whole yogurts cannot contain artificial sweeteners. No frozen yogurt, yogurt tubes, or drinkable yogurts are allowed.

g. All brands of packaged dried beans or peas are approved; however, no soup mixes and no dried beans or peas with added vegetables, fruits, meat, sugars, fats, or oils are allowed.

h. Peanut butter must meet federal guidelines. Brands may be either refrigerated or nonrefrigerated.

i. Eggs shall be fresh, Grade A large chicken eggs. Eggs which have a retail value of 115 percent or higher than the state average for this product shall not be approved.

j. Any brand of tuna or salmon qualifies if it is either water- or oil-packed, in cans or pouches, chunked, solid, or flaked. Fish packaged with other items such as crackers, relish or other flavorings may not be purchased. Albacore tuna is not allowed.

k. Commercial infant formula shall meet the following conditions:

(1) It is registered with the Food and Drug Administration as complying with the legal definition of infant formula.

(2) It complies with the calorie and iron content prescribed by the USDA.

(3) It is approved by the USDA for use in the WIC program.

(4) The product form and marketing approach are consistent with the promotion of good nutrition and education.

- l. At least two whole grain options that meet federal guidelines will be provided.
    - m. Infant food fruits, vegetables and meats must meet the federal guidelines.
    - n. Fresh and frozen vegetables and fruits that meet federal guidelines will be available for purchase with cash-value benefits specifically for fruits and vegetables.
      - o. Soy beverages shall meet federal guidelines.
      - p. Tofu shall meet federal guidelines.
      - q. Products will be evaluated for use in the Iowa WIC program based on nutrient content, packaging, container size, labeling, availability to wholesale distributors, cost and participant preference. The state reserves the right to limit the number of foods for the WIC-approved food list based on accessibility, availability, retail value of product, USDA recommendations, increased number of WIC participants, changes in appropriation of funds and administrative efficiency.
    - r. In addition to the criteria specified above, the department reserves the right to further restrict the number and types of brands of any products in order to contain the cost of the food package through competitive procurement of rebate contracts or other similar means.
    - s. The department reserves the right to discontinue specific brand names and products if the cost is 115 percent or higher than the state average for that particular product. The department reserves the right to add or delete products pursuant to federal regulations.

**73.13(11) Exhausting administrative remedies.** It is not necessary to file an application for a rehearing to exhaust administrative remedies when appealing to the director or the district court as provided in Iowa Code section 17A.19. The aggrieved party to the final decision of the department who has exhausted all administrative remedies may petition for judicial review pursuant to Iowa Code chapter 17A.

**73.13(12) Petition for judicial review.** Any petition for judicial review of a decision and order shall be filed in the district court within 30 days after the decision and order becomes final. A copy of the notice of petition for judicial review shall be sent to the department by certified mail, return receipt requested, or by personal service. The address is: Division Director, Division of Health Promotion and Chronic Disease Prevention, Iowa Department of Public Health, Lucas State Office Building, Des Moines, Iowa 50319-0075.

[ARC 2839C, IAB 12/7/16, effective 1/11/17]

**641—73.14(135) State monitoring of contract agencies.** The department shall review contract agency operations through use of reports and documents submitted, state-generated data processing reports, and on-site visits for evaluation and technical assistance.

**73.14(1) On-site visits.** Department staff shall visit contract agencies whenever necessary, to review operations and ensure compliance with state and federal regulations.

**73.14(2) Request for written reports.** The department may request written progress reports from contract agencies within specified times.

**641—73.15(135) Migrant services.** To meet the WIC needs of migrant workers within the state, a contract or work agreement shall be maintained with at least one contract migrant service agency within the state to provide or assist in the provision of service to this population.

**641—73.16(135) Civil rights.** The Iowa WIC program shall operate in compliance with state and federal regulations to ensure the rights of all individuals under the WIC program.

[ARC 2839C, IAB 12/7/16, effective 1/11/17]

**641—73.17(135) Audits.** Each contract agency shall ensure an audit of the WIC program within the agency at least every two years, to be conducted by a private certified public accountant or in accord with applicable Office of Management and Budget Circulars: A-128, Audits of State and Local Governments, and A-133, Audits of Institutions of Higher Education and Other Nonprofit Institutions. Each audit shall cover all unaudited periods through the end of the previous grant year. The department's audit guide shall be followed to ensure an audit that meets federal and state requirements.

**641—73.18(135) Reporting.** Completion of grant applications, budgets, expenditure reports and written responses to the department's monitoring for the WIC program shall be conducted by contract agencies

in compliance with the formats and procedures outlined by the department in the Iowa WIC Policy and Procedure Manual, as specified in the contract entered into by the department and the contract agency.

**641—73.19(135) WIC program violation.** Participants or vendors are subject to the sanctions outlined below if determined by contract agency or department staff to be guilty of abusing the WIC program or its regulations.

**73.19(1) Participant violation.** Violations may be detected by contract agency staff, by vendors, or by department staff. Information obtained by the department is forwarded to the contract agency for appropriate action.

*a.* Whenever possible, the participant is counseled in person concerning the violation. Documentation is maintained according to procedures set forth in the Iowa WIC Policy and Procedure Manual.

*b.* Participants who violate WIC program regulations are subject to sanction in accordance with the schedule below:

Violation	Points Per Event
1. Attempting to purchase unauthorized brands/types of foods (i.e., incorrect brands of cereal, juices, etc.).	3
2. Attempting to cash food instruments outside of valid dates.	4
3. Attempting to redeem WIC food instruments at an unauthorized vendor.	4
4. Redeeming WIC food instruments that were reported as lost or stolen.	5
5. Attempting to purchase more than the quantity of foods specified in the food benefits.	5
6. Verbal abuse or harassment of WIC or vendor employees.	5
7. Verbal abuse or harassment on social media.	5
8. Threat of physical abuse of WIC or vendor employees.	10
9. Threat of physical abuse of WIC or vendor employees on social media.	10
10. Attempting to sell, return, or exchange foods for cash or credit.	10
11. Attempting to purchase unauthorized (non-WIC) foods, such as meat, canned goods, etc.	10
12. Attempting to purchase items that are not food.	10
13. Sale or exchange of WIC food instruments for cash or credit or giving away WIC foods.	10
14. Attempting to redeem food instrument issued to another participant.	10
15. Receiving more than one set of benefits for the same time period.	10
16. Knowing and deliberate misrepresentation of circumstances to obtain benefits (resulting in a false determination of eligibility).	10
17. Attempting to steal WIC food instruments from a contract agency or participant.	10
18. Physical abuse of WIC contract agency or vendor employees.	10
19. Attempting to pick up food instruments for a child that is not currently in their care.	10
20. Other violations of this chapter or the Iowa WIC Policy and Procedure Manual.	

*c.* The accumulation of 10 violation points within a 12-month period will result in a 2-month disqualification.

The accumulation of 10 additional violation points within a 12-month period following the disqualification will result in a 3-month disqualification. The participant must then reapply for the WIC program and be scheduled for a certification.

*d.* Fifteen days' notice must be given prior to all disqualifications. In all cases, the participant must be informed of the reason for the disqualification, of the right to appeal the decision through the

fair hearing process, and of eligibility to reapply for the WIC program at the end of the disqualification period.

e. A disqualification generally applies to all members of a family who are on the WIC program. The competent professional authority may waive the disqualification for one or more members of the family if it is determined that a serious health risk may result from WIC program disqualification. The reason for this waiver must be documented in the participant's file.

f. Violations are cumulative.

g. When a participant improperly received benefits as a result of intentionally making a false or misleading statement or intentionally misrepresenting, concealing, or withholding facts, the department shall collect the cash value of the improperly used food instruments. Collection of overpayment is not required when the department determines it is not cost-effective to do so.

The contract agency shall issue a written notice of restitution and disqualification. The written notice lists the serial numbers and dollar value of the food instruments for which payment is required.

The participant is required to surrender any unspent food instruments and send payment to the department in check or money order for those food instruments that have been cashed.

h. Each contract agency shall maintain a master list of all participant violation notices, disqualifications, and statements of restitution. The participant's notice of violation must also indicate when it is a second offense.

**73.19(2) Vendor violations.** There are five types of sanctions that are applied to vendors for violations of WIC program regulations: nonpayment of food instruments, issuance of violation points, temporary disqualification, permanent disqualification, and civil money penalties.

a. Nonpayment of food instruments. If the vendor has been terminated from the WIC program and submits a claim, it will be fully denied.

b. Administrative and procedural violation points. Administrative and procedural violations are offenses to the provisions of the WIC vendor agreement that do not rise to the level of fraud against the WIC program or its participants.

These violations are an indication of a vendor's inattention to or disregard of the requirements of a WIC vendor agreement. It is in the department's interest to record and consider these violations when considering whether to continue its contractual relationship with the vendor.

One or more transactions prior to notification of the vendor constitute only one violation if they contain the same error.

The assignment of violation points does not limit the department's right to effect stronger penalties and sanctions in cases in which there is evidence of an intentional or systematic practice of abusing or defrauding the Iowa WIC program.

Violation	Points Per Event
1. Developing and using promotional materials including stickers, tags, labels, or channel strips with the WIC service mark to identify WIC-approved foods.	5
2. Developing and using vendor-created WIC vendor identification decals to indicate vendor is an authorized vendor.	5
3. Failure to allow WIC participants to leave the vendor with WIC foods that were debited/removed from their eWIC account during a WIC transaction.	5

5. Failure to provide vendor ECR system participant receipts to WIC participants during each WIC transaction.	5
6. Failure to reimburse department for potentially overpaid food instrument or provide reasonable explanation for the cost of the food instrument.	10
7. Refusal to accept valid WIC food instruments from participants.	10

Violation	Points Per Event
8. Discriminatory treatment of WIC participants, such as requiring WIC participants to use special checkout lanes or provide extra identification, or disallowing the use of coupons or other vendor discounts in WIC transactions that are allowed in non-WIC transactions.	10
9. Treating WIC customers differently by offering them incentive items, vendor discounts, coupons, or other promotions that are not offered to non-WIC customers.	10
10. Providing to WIC participants incentive items not prior authorized by the department.	10
11. Failure to carry out corrective action plan developed as a result of monitoring visit.	10

13. Issuing "rain checks" or credit in exchange for WIC food instruments.	10
14. Stocking out-of-date, stale, or moldy WIC foods.	10
15. Failure to submit vendor price assessment reports as requested.	10

17. Requiring WIC participants to purchase a particular brand when other WIC-approved brands are available.	10
18. Not allowing WIC participants to use discount coupons or promotional specials to reduce the WIC food instrument amount.	10
19. Requiring to enter the PIN for the participant and/or asking for the participant's PIN.	10
20. For vendors that have special WIC prices, failure to post WIC prices on the shelf or on the package.	15

26. Offering incentive items with a value of more than \$1.99.	15
27. Scanning any UPC code that is not affixed to the actual item being purchased by the WIC participant.	20
28. Failure to allow purchase of up to the full amount of WIC foods authorized on the food instrument if such foods are available and desired by the WIC participant.	20
29. Other violations of this chapter or the vendor agreement or the Iowa WIC Policy and Procedure Manual.	

c. One-year disqualification. With an administrative finding of the following patterns of sanctions, the vendor will be disqualified for one year.

(1) A pattern of allowing purchase of nonapproved food items in exchange for WIC food instruments or for foods provided in excess of those listed on the WIC food instrument. (federally mandated sanction)

(2) Accumulation of 45 or more violations points within a single federal fiscal year of the agreement period. (department sanction)

(3) Failure to provide access to vendor premises or in any manner to hinder, impede or misinform authorized WIC personnel in the act of conducting an on-site education, monitoring or investigation visit. (department sanction)

(4) Loss of Iowa department of inspections and appeals license. (department sanction)

(5) Submitting for payment a WIC food instrument redeemed by another authorized vendor. (department sanction)

(6) Threatening or verbally abusing WIC participants or authorized WIC program personnel in the conduct of legitimate WIC program transactions. (department sanction)

(7) Submitting for payment WIC food instruments known by the vendor to have been lost or stolen. (department sanction)

(8) Participating with other individuals, including but not limited to WIC employees, vendors, and participants, in systematic efforts to submit false claims for reimbursement of improper WIC food instrument. (department sanction)

d. With an administrative finding of the following federally mandated sanctions, the vendor will be disqualified from being a WIC vendor for three years.

(1) A pattern of charging WIC participants more than non-WIC customers or charging WIC participants more than the current shelf price.

(2) A pattern of charging for items not received by the WIC participant or for foods provided in excess of those listed on the WIC food instrument.

(3) A pattern of providing credit or nonfood items, except for alcohol, alcoholic beverages, or tobacco products, in exchange for WIC food instruments.

(4) One incidence of allowing the purchase of alcohol, alcoholic beverages, or tobacco products with a WIC food instrument.

(5) A pattern of receiving, transacting, or redeeming WIC food instruments outside authorized channels, including through unauthorized vendors or persons.

(6) A pattern of claiming reimbursement for the sale of a quantity of a specific food item which exceeds the vendor's documented inventory of that food item for a specified period of time.

e. With an administrative finding of the following federally mandated sanctions, the vendor will be disqualified for six years.

(1) One incidence of buying or selling food instruments for cash (trafficking).

(2) One incidence of selling firearms, ammunition, explosives, or controlled substances (as defined in Section 102 of the Controlled Substances Act (21 U.S.C. 802)) in exchange for WIC food instruments.

f. With a conviction in a criminal court of law for trafficking in WIC food instruments or selling firearms, ammunition, explosives, or controlled substances (as defined in Section 102 of the Controlled Substances Act (21 U.S.C. 802)) in exchange for WIC food instruments, the vendor will be permanently disqualified from the Iowa WIC program. The department may impose a civil money penalty (CMP) in lieu of a disqualification when it determines, in its sole discretion, that:

(1) Disqualification of the vendor would result in inadequate participant access; or

(2) The vendor had, at the time of the violation, an effective policy and program in effect to prevent trafficking; and the ownership of the vendor was not aware of, did not approve of, and was not involved in the conduct of the violation.

g. The following items do not have a point value, but shall result in or extend a disqualification period:

(1) Failure to return WIC vendor stamp(s) to the WIC program within ten days of effective date of disqualification, or expiration of agreement following denial of subsequent application, shall result in a 30-day extension of a disqualification period.

(2) For each month in which a vendor accepts WIC food instruments during a disqualification period, the disqualification period shall be extended by 30 days.

h. The above sanctions notwithstanding, the state of Iowa reserves the right to seek civil and criminal prosecution of WIC vendors for any and all instances of dealing in stolen or lost food instruments, trading cash and other inappropriate commodities for food instruments, or cases in which

there exists evidence of a clear business practice to improperly obtain WIC funds, or other practices meeting the definition of fraud as defined in 7 CFR Part 246 or the Iowa Code.

*i.* A vendor shall not be entitled to receive any compensation for revenues lost as a result of any temporary or permanent disqualification.

*j.* A minimum of 15 days' notice is provided prior to all disqualifications, except for permanent disqualifications assessed under paragraph 73.19(2) "f," which are effective on the date of receipt of the notice of administrative action. When the department determines that an offense has occurred, a disqualification letter with supporting documentation is prepared for the WIC director's signature. The disqualification letter identifies the specific offenses that the vendor is charged with and the procedures for filing an appeal. Voluntary withdrawal from the WIC vendor agreement to avoid a sanction is not allowed.

*k.* The department is responsible for issuing all warning and disqualification letters. Contract agencies are informed of all vendor correspondence regarding violations. In situations where participant violations are also involved, the contract agency is responsible for follow-up, as detailed in subrule 73.19(1).

*l.* Federal Supplemental Nutrition Assistance Program (SNAP) regulations require automatic disqualification from SNAP for vendors disqualified by the WIC program for certain types of violations. When a vendor is disqualified from the WIC program, the disqualification letter to the vendor will include the following statement: "This disqualification from WIC may result in disqualification as a retailer in the Supplemental Nutrition Assistance Program (SNAP). Such disqualification may not be subject to administrative or judicial review under SNAP." For all vendor disqualifications from the WIC program, notice will be sent to the United States Department of Agriculture for appropriate action.

*m.* The department shall disqualify a vendor who has been disqualified from SNAP. The disqualification shall be for the same length of time as the SNAP disqualification, may begin at a later date than the SNAP disqualification, and shall not be subject to administrative or judicial review under the WIC program. If the department determines that disqualification of a vendor would result in inadequate participant access, it will impose a civil money penalty (CMP) in lieu of disqualification.

*n.* Civil money penalties.

(1) When the department determines that a civil money penalty (CMP) shall be imposed in lieu of disqualification for reasons specified under paragraph 73.19(2) "f" or 73.19(2) "m," it shall use the civil money penalty formula in accordance with Title 7 CFR 246.12(k)(1)(x) to determine the CMP.

(2) If a vendor does not pay, only partially pays, or fails to timely pay a CMP, the department will disqualify the vendor for the length of the disqualification corresponding to the violation for which the CMP was assessed. "Failure to timely pay a CMP" includes the failure to pay a CMP in accordance with an installment plan approved by the department.

(3) Money received by the state WIC agency as a result of civil money penalties or fines assessed against a vendor and any interest charged in the collection of these penalties and fines shall be considered as WIC program income.

The federally established priority categories of participant shall be followed when limitation of services is necessary in accord with 7 CFR 246.7(d)(3). In addition the following rules shall apply:

**73.22(1)** A contract agency shall maintain a waiting list only when the department determines that sufficient funds are not available to meet demand.

**73.22(2)** When a waiting list has been authorized, contract agencies shall certify applicants of potential highest priority first (e.g., women and infants) and potential lower priority second (children). Within these priority groups, applicants shall be offered certification appointments in the order of placement on the list.

**73.22(3)** When insufficient funds are available to serve all priority categories, the department shall provide instructions to contract agencies regarding which priority categories may continue to be certified.

**73.22(4)** When necessitated by federal funding restrictions, the department reserves the right to terminate or temporarily suspend benefits for categories of participants prior to the end of their certification period. Each participant shall be advised in writing 15 days before the effective date of the reasons for the action and of the right to a fair hearing.

Contract agencies are selected on the basis of the grant applications submitted to the department. The department will consider only applications from private, nonprofit or public agencies.
