

761—607.37(321) Commercial driver's license renewal.

607.37(1) To renew a commercial driver's license, the licensee shall apply at a driver's license examination station, certify eligibility and, if required, pass the appropriate test(s).

607.37(2) A valid commercial driver's license may be renewed 30 days before the expiration date. If this is impractical, the department for good cause may renew a license earlier, not to exceed one year prior to the expiration date. The department may allow renewal earlier than one year prior to the expiration date for active military personnel being deployed due to actual or potential military conflict.

607.37(3) A valid commercial driver's license may be renewed within 60 days after the expiration date, unless otherwise specified.

This rule is intended to implement Iowa Code sections 321.186 and 321.196.
