

**875—3.1(88) Posting of notice; availability of the Act, regulations and applicable standards.**

**3.1(1)** Each employer shall post and keep posted a notice or notices informing employees of the protections and obligations provided for in the Act, and that for assistance and information, including copies of the Act and of specific safety and health standards, employees should contact the employer or the department of workforce development, division of labor services. The notice or notices shall be posted by the employer in each establishment in a conspicuous place or places where notices to employees are customarily posted. Each employer shall take steps to ensure that such notices are not altered, defaced or covered by other materials. The notice or notices will be furnished by the division of labor services.

Reproductions or facsimiles of the state poster shall constitute compliance with the posting requirements of Iowa Code section 88.6(3) "a" where such reproductions or facsimiles are at least 8½ inches by 14 inches, and the printing size is at least 10 point. Whenever the size of the poster increases, the size of the print shall also increase accordingly. The caption or heading on the poster shall be in large type, generally not less than 36 point.

**3.1(2)** "*Establishment*" means a single physical location where business is conducted or where services or industrial operations are performed. (For example: A factory, mill, store, hotel, restaurant, movie theatre, farm, ranch, bank, sales office, warehouse, central administrative office or governmental agency or subdivision thereof.) Where distinctly separate activities are performed at a single physical location (such as contract construction activities from the same physical location as a lumber yard), each activity shall be treated as a separate physical establishment, and a separate notice or notices shall be posted in each such establishment, to the extent that such notices have been furnished by the Occupational Safety and Health Administration, U.S. Department of Labor, or the division of labor services. Where employers are engaged in activities which are physically dispersed, such as agriculture, construction, transportation, communications and electric, gas and sanitary services, the notice or notices required by this rule shall be posted at the location to which employees report each day. Where employees do not usually work at, or report to, a single establishment, such as harbor workers, traveling salespersons, technicians, engineers, and similar personnel, such notice or notices shall be posted at the location from which the employees operate to carry out their activities. In all cases, such notice or notices shall be posted in accordance with the requirements of subrule 3.1(1).

**3.1(3)** Copies of the Act, all regulations published and all applicable safety and health rules are available from the division of labor services. If an employer has obtained copies of these materials from the division of labor services or the U.S. Department of Labor, the employer shall make them available upon request to any employee or authorized employee representative for review in the establishment where the employee is employed on the same day the request is made or at the earliest time mutually convenient to the employee or authorized employee representative and the employer.

**3.1(4)** Any employer failing to comply with the provisions of this rule shall be subject to citation and penalty in accordance with the provisions of Iowa Code section 88.14.

This rule is intended to implement Iowa Code section 88.6(3) "a."
