

441—83.81 (249A) Definitions.

“*Adaptive*” means age appropriate skills related to taking care of one’s self and the ability to relate to others in daily living situations. These skills include limitations that occur in the areas of communication, self-care, home living, social skills, community use, self-direction, safety, functional academics, leisure and work.

“*Adult*” means a person with a brain injury aged 18 years or over.

“*Appropriate*” means that the services or supports or activities provided or undertaken by the organization are relevant to the consumer’s needs, situation, problems, or desires.

“*Assessment*” means the review of the consumer’s current functioning in regard to the consumer’s situation, needs, strengths, abilities, desires and goals.

“*Attorney in fact under a durable power of attorney for health care*” means an individual who is designated by a durable power of attorney for health care, pursuant to Iowa Code chapter 144B, as an agent to make health care decisions on behalf of an individual and who has consented to act in that capacity.

“*Basic individual respite*” means respite provided on a staff-to-consumer ratio of one to one or higher to individuals without specialized needs requiring the care of a licensed registered nurse or licensed practical nurse.

“*Behavior*” means skills related to regulating one’s own behavior including coping with demands from others, making choices, conforming conduct to laws, and displaying appropriate sociosexual behavior.

“*Brain injury*” means clinically evident damage to the brain resulting directly or indirectly from trauma, infection, anoxia, vascular lesions or tumor of the brain, not primarily related to degenerative or aging processes, which temporarily or permanently impairs a person’s physical, cognitive, or behavioral functions. The person must have a diagnosis from the following list:

- Malignant neoplasms of brain, cerebrum.
- Malignant neoplasms of brain, frontal lobe.
- Malignant neoplasms of brain, temporal lobe.
- Malignant neoplasms of brain, parietal lobe.
- Malignant neoplasms of brain, occipital lobe.
- Malignant neoplasms of brain, ventricles.
- Malignant neoplasms of brain, cerebellum.
- Malignant neoplasms of brain, brain stem.
- Malignant neoplasms of brain, other part of brain, includes midbrain, peduncle, and medulla oblongata.
- Malignant neoplasms of brain, cerebral meninges.
- Malignant neoplasms of brain, cranial nerves.
- Secondary malignant neoplasm of brain.
- Secondary malignant neoplasm of other parts of the nervous system, includes cerebral meninges.
- Benign neoplasm of brain and other parts of the nervous system, brain.
- Benign neoplasm of brain and other parts of the nervous system, cranial nerves.
- Benign neoplasm of brain and other parts of the nervous system, cerebral meninges.
- Encephalitis, myelitis and encephalomyelitis.
- Intracranial and intraspinal abscess.

Anoxic brain damage.
Subarachnoid hemorrhage.
Intracerebral hemorrhage.
Other and unspecified intracranial hemorrhage.
Occlusion and stenosis of precerebral arteries.
Occlusion of cerebral arteries.
Transient cerebral ischemia.
Acute, but ill-defined, cerebrovascular disease.
Other and ill-defined cerebrovascular diseases.
Fracture of vault of skull.
Fracture of base of skull.
Other and unqualified skull fractures.
Multiple fractures involving skull or face with other bones.
Concussion.
Cerebral laceration and contusion.
Subarachnoid, subdural, and extradural hemorrhage following injury.
Other and unspecified intracranial hemorrhage following injury.
Intracranial injury of other and unspecified nature.
Poisoning by drugs, medicinal and biological substances.
Toxic effects of substances.
Effects of external causes.
Drowning and nonfatal submersion.
Asphyxiation and strangulation.
Child maltreatment syndrome.
Adult maltreatment syndrome.

“*Case management services*” means those services established pursuant to Iowa Code chapter 225C.

“*Child*” means a person with a brain injury aged 17 years or under.

“*Client participation*” means the amount of the consumer’s income that the person must contribute to the cost of brain injury waiver services, exclusive of medical vendor payments, before Medicaid will provide additional reimbursement.

“*Deemed status*” means acceptance of certification or licensure of a program or service by another certifying body in place of certification based on review and evaluation.

“*Department*” means the Iowa department of human services.

“*Direct service*” means services involving face-to-face assistance to a consumer such as transporting a consumer or providing therapy.

“*Fiscal accountability*” means the development and maintenance of budgets and independent fiscal review.

“*Group respite*” is respite provided on a staff-to-consumer ratio of less than one to one.

“*Guardian*” means a guardian appointed in probate court.

“Health” means skills related to the maintenance of one’s health including eating; illness identification, treatment and prevention; basic first aid; physical fitness; regular physical checkups and personal habits.

“Immediate jeopardy” means circumstances where the life, health, or safety of a person will be severely jeopardized if the circumstances are not immediately corrected.

“Intermediate care facility for persons with an intellectual disability level of care” means that the individual has a diagnosis of intellectual disability made in accordance with the criteria provided in the current version of the Diagnostic and Statistical Manual of Mental Disorders published by the American Psychiatric Association; or has a related condition as defined in 42 CFR 435.1009; and needs assistance in at least three of the following major life areas: mobility, musculoskeletal skills, activities of daily living, domestic skills, toileting, eating skills, vision, hearing or speech or both, gross/fine motor skills, sensory-taste, smell, tactile, academic skills, vocational skills, social/community skills, behavior, and health care.

“Intermittent supported community living service” means supported community living service provided from one to three hours a day for not more than four days a week.

“Managed care organization” means an entity that (1) is under contract with the department to provide services to Medicaid recipients and (2) meets the definition of “health maintenance organization” as defined in Iowa Code section 514B.1.

“Medical assessment” means a visual and physical inspection of the consumer, noting deviations from the norm, and a statement of the consumer’s mental and physical condition that can be amendable to or resolved by appropriate actions of the provider.

“Medical institution” means a nursing facility, a skilled nursing facility, intermediate care facility for persons with an intellectual disability, or hospital which has been approved as a Medicaid vendor.

“Medical intervention” means consumer care in the areas of hygiene, mental and physical comfort, assistance in feeding and elimination, and control of the consumer’s care and treatment to meet the physical and mental needs of the consumer in compliance with the plan of care in areas of health, prevention, restoration, and maintenance.

“Medical monitoring” means observation for the purpose of assessing, preventing, maintaining, and treating disease or illness based on the consumer’s plan of care.

“Natural supports” means services and supports identified as wanted or needed by the consumer and provider by persons not for pay (family, friends, neighbors, coworkers, and others in the community) and organizations or entities that serve the general public.

“Nursing facility level of care” means that the following conditions are met:

1. The presence of a physical or mental impairment which restricts the member’s daily ability to perform the essential activities of daily living, bathing, dressing, and personal hygiene, and impedes the member’s capacity to live independently.

2. The member’s physical or mental impairment is such that self-execution of required nursing care is improbable or impossible.

“Organization” means the entity being certified.

“Organizational outcome” means a demonstration by the organization of actions taken by the organization to provide for services or supports to consumers.

“Outcome” means an action or event that follows as a result or consequence of the provision of a service or support.

“Procedures” means the steps to be taken to implement a policy.

“Process” means service or support provided by an agency to a consumer that will allow the consumer to achieve an outcome. This can include a written, formal, consistent trackable method or an informal process that is not written but is trackable.

“Program” means a set of related resources and services directed to the accomplishment of a fixed set of goals and objectives for the population of a specified geographic area or for special target populations. It can mean an agency, organization, or unit of an agency, organization or institution.

“Qualified brain injury professional” means one of the following who meets the educational and licensure or certification requirements for the profession as required in the state of Iowa and who has two years’ experience working with people living with a brain injury: a psychologist; psychiatrist; physician; physician assistant; registered nurse; certified teacher; social worker; mental health counselor; physical, occupational, recreational, or speech therapist; or a person with a bachelor of arts or science degree in psychology, sociology, or public health or rehabilitation services.

“Service coordination” means activities designed to help individuals and families locate, access, and coordinate a network of supports and services that will allow them to live a full life in the community.

“Service plan” means a written consumer-centered, outcome-based plan of services developed using an interdisciplinary process, which addresses all relevant services and supports being provided. It may involve more than one provider.

“Skilled nursing facility level of care” means that the following conditions are met:

1. The member’s medical condition requires skilled nursing services or skilled rehabilitation services as defined in 42 CFR 409.31(a), 409.32, and 409.34.
2. Services are provided in accordance with the general provisions for all Medicaid providers and services as described in rule 441—79.9(249A).
3. Documentation submitted for review indicates that the member has:
 - a. A physician order for all skilled services.
 - b. Services that require the skills of medical personnel, including registered nurses, licensed practical nurses, physical therapists, occupational therapists, speech pathologists, or audiologists.
 - c. An individualized care plan that identifies support needs.
 - d. Confirmation that skilled services are provided to the member.
 - e. Skilled services that are provided by, or under the supervision of, medical personnel as described above.
 - f. Skilled nursing services that are needed and provided seven days a week or skilled rehabilitation services that are needed and provided at least five days a week.

“Specialized respite” means respite provided on a staff-to-consumer ratio of one to one or higher to individuals with specialized medical needs requiring the care, monitoring or supervision of a licensed registered nurse or licensed practical nurse.

“Staff” means a person under the direction of the organization to perform duties and responsibilities of the organization.

“Third-party payments” means payments from an individual, institution, corporation, or public or private provider which is liable to pay part or all of the medical costs incurred as a result of injury or disease on behalf of a consumer of medical assistance.

“Usual caregiver” means a person or persons who reside with the consumer and are available on a 24-hour-per-day basis to assume responsibility for the care of the consumer.
