

**441—88.12 (249A) Payment to the PHP.**

**88.12(1) *Capitation rate.*** In consideration for all services rendered by a PHP under a contract with the department, the PHP will receive a payment each month for each enrolled recipient. This capitation rate represents the total obligation of the department with respect to the costs of medical care and services provided to enrolled recipients under the contract.

**88.12(2) *Determination of rate.*** The capitation rate is actuarially determined by the department for the beginning of the new fiscal year using statistics and data about Medicaid fee-for-service expenses for PHP-covered services to a similar population during the preceding fiscal year. (For example, fiscal year 1990 rates are predicted with fiscal year 1988 dates of service for Medicaid fee-for-service expenditures.) The capitation rate may not exceed the cost to the department of providing the same services on a fee-for-service basis to an actuarially equivalent nonenrolled population group. A 1 percent incentive will be available to PHPs who contract to cover all services except those specified in subrule 88.5(3). PHPs electing to share risk with the department will have their payment rates reduced by an amount reflecting the department's experience for high cost fee-for-service recipients.

**88.12(3) *Amounts not included in rate.*** The capitation rate does not include any amounts for the recoupment of losses suffered by the PHP for risks assumed under the current or any previous contract. The PHP accepts the rate as payment in full for the contracted services. Any savings realized by the PHP due to lower utilization from a less frequent incidence of health problems among the enrolled population shall be wholly retained by the PHP.

**88.12(4) *Third-party liability.*** If an enrolled recipient has health coverage or a responsible party other than the Medicaid program available for purposes of payment for medical expenses, it is the right and responsibility of the PHP to investigate these third-party resources and attempt to obtain payment. The PHP shall retain all funds collected through third-party sources. A complete record of all income from these sources must be maintained and made available to the department.
