

655—4.4 (17A,147,152,272C) Board action. The board shall review complaints and investigative materials and do one of the following:

4.4(1) Close the complaint case without action.

4.4(2) Request further inquiry, including peer review.

4.4(3) Issue a confidential letter of warning to the licensee. A letter of warning is not formal disciplinary action and is not a public document.

4.4(4) Determine the existence of sufficient probable cause and file a statement of charges or approve a combined statement of charges and settlement agreement.
