

—**1(34A) Wireless communications service provider database established.** The wireless communications service provider database is established in the department of public safety. All wireless communications service providers authorized to do business in the state of Iowa, or submitting to the jurisdiction of the state of Iowa, shall submit current contact information to the department of public safety in order to facilitate requests from law enforcement agencies and public safety answering points (PSAPs), so that law enforcement agencies and PSAPs can promptly obtain location information concerning a cell phone or other wireless communications device in emergency situations.
