

761—540.7(321N) Suspension and revocation procedures.

540.7(1) *Suspension.* If the department determines that the transportation network company has violated Iowa Code chapter 321N or this chapter, the department may issue to the transportation network company a written notice of the violation. The written notice shall specify the violation and advise the transportation network company that failure to remedy the violation and to comply with the applicable requirements within 30 days will result in suspension of the permit and the privilege to operate or conduct business as a transportation network company in the state of Iowa. If the transportation network company fails to remedy the violation within 30 days, the department shall issue to the transportation network company a written notice of suspension of the permit and the privilege to operate or conduct business as a transportation network company in the state of Iowa, which will take effect 30 days after service of the written notice of suspension. Once effective, the suspension will remain in effect until the transportation network company demonstrates to the department that the transportation network company is in compliance with the applicable requirements or the permit is revoked or expires, whichever occurs first.

540.7(2) *Revocation.* If the department determines that the transportation network company is in continued noncompliance with Iowa Code chapter 321N or this chapter, the department shall revoke the transportation network company's permit and the privilege to operate or conduct business as a transportation network company in the state of Iowa for a minimum of 90 days. Notice of revocation shall be in writing and specify the continued noncompliance. The revocation will take effect 30 days after service of the written notice of revocation and will remain effective until the following criteria are satisfied:

a. The transportation network company submits a new application, application fee, and supporting documents under rule 761—540.4(321N).

b. The department determines a new permit should be issued under this chapter.

540.7(3) *Continued noncompliance.* As used in this rule, "continued noncompliance" means a violation of Iowa Code chapter 321N or this chapter for which a notice of suspension has become effective and has remained in effect for a period of at least 180 days.
