

**871—24.20(96) Voluntary quit of part-time employment and requalification.** An individual who voluntarily quits without good cause part-time employment and who has not requalified for benefits following the voluntary quit of part-time employment, but is otherwise monetarily eligible for benefits based on wages paid by the regular or other base period employers, will not be disqualified for voluntarily quitting the part-time employment. The individual and the part-time employer that was voluntarily quit will be notified that benefit payments will not be made that are based on the wages paid by the part-time employer, and benefit charges will not be assessed against the part-time employer's account. However, once the individual has met the requalification requirements following the voluntary quit without good cause of the part-time employer, the wages paid in the part-time employment will be available for benefit payment purposes. For benefit charging purposes and as determined by the applicable requalification requirements, the wages paid by the part-time employer will be transferred to the balancing account.

This rule is intended to implement Iowa Code section 96.5(1) "g."
