

661—275.1(100C) Establishment of program. There is established within the state fire marshal division a fire extinguishing system contractors licensure program called the fire protection system contractor license. The program is established pursuant to Iowa Code chapter 100C.

275.1(1) Licensure required. No person shall act as a fire extinguishing system contractor without being currently licensed as a fire protection system contractor by the state fire marshal.

275.1(2) Endorsement. The licensure of each contractor shall carry an endorsement for one or more of the following:

- a. Automatic sprinkler system installation.
- b. Special hazards systems installation.
- c. Preengineered dry chemical or wet agent fire suppression systems installation.
- d. Preengineered water-based fire suppression systems in one- and two-family dwellings installation.
- e. Automatic sprinkler system maintenance inspection.
- f. Special hazards system maintenance inspection.
- g. Preengineered dry chemical or wet agent fire suppression systems maintenance inspection.
- h. Preengineered water-based fire suppression systems in one- and two-family dwellings maintenance inspection.

Any person acting as a fire extinguishing system contractor shall do so only in relation to systems covered by the endorsements on the contractor's license.

275.1(3) Length of licensure. A license shall normally be for one year and shall expire on March 31 each year. A license which is effective on a date other than April 1 shall be effective on the date on which the license is issued and shall expire on the following March 31.

275.1(4) Inquiries. Inquiries regarding the fire protection system contractor license may be addressed to:

State Fire Marshal Division
Iowa Department of Public Safety
Attn: SFM Licensing Administration
215 East 7th Street
Des Moines, Iowa 50319

Inquiries may be addressed by electronic mail to sfmlicense@dps.state.ia.us or by the United States Postal Service.
