

**261—314.5(15G) Contract administration.**

**314.5(1) Notice of award.** The department shall notify approved applicants in writing of the board's award of grants, including any conditions and terms of the approval.

**314.5(2) Contract required.** The board shall direct the department to prepare a cost-share agreement which shall include terms and conditions of the grant established by the board. The agreement will:

- a. Describe the project in sufficient detail to demonstrate the eligibility of the project.
- b. State the total cost of the project expressed in a project budget included in sufficient detail to meet the requirements of the infrastructure board.
- c. State the project completion deadline.
- d. State the project completion requirements which are preconditions for payment of the grant by the board.
- e. Recite the penalty for the storage or dispensing, within the stated time frame of three years or five years from submission of verified documentation of project completion, of motor fuel other than the type of renewable fuel for which the grant was awarded.
- f. Be amended to include a supplemental financial incentive, if a supplemental financial incentive is awarded by the board.

**314.5(3) Repayment penalty for nonexclusive renewable fuel use.** In the absence of a waiver from the board, the department may impose a 25 percent penalty due to a grant recipient's use of infrastructure equipment for which a grant was awarded, for the storage or dispensing, within the time frame stated in the agreement, of motor fuel other than the type of renewable fuel for which the grant was awarded.

**314.5(4) Repayment or board waiver.** A grant recipient may not use the infrastructure to store and dispense motor fuel other than the type approved by the board, unless one of the following applies: (1) the grantee is granted a waiver by the board, or (2) the grantee pays back the moneys awarded including a 25 percent penalty.

**314.5(5) Waiver criteria.** The board may waive repayment of grant funds plus the 25 percent penalty. A grant recipient seeking a waiver during the time period in which a cost-share agreement is in effect shall submit a written waiver request to the board. The board will consider waiver requests under the following circumstances:

- a. *Permanent waiver.*
  - (1) Waiver due to demonstration of good cause (no repayment and no 25 percent penalty). A grant recipient may request a permanent waiver during the time period in which a cost-share grant agreement is in effect if the grant recipient can demonstrate good cause for failure to continue using the approved renewable fuel. "Good cause" includes, but is not limited to, events such as the following:
    1. Permanent business closure due to bankruptcy.
    2. Permanent closure of underground or aboveground storage tanks.
  - (2) Waiver due to demonstration of financial hardship (repayment on a sliding scale and no 25 percent penalty). A grant recipient may seek a permanent waiver of exclusive use of the approved renewable fuel during the time period in which a cost-share agreement is in effect due to financial hardship. The grant recipient must demonstrate that continuing to dispense the renewable fuel at a project site will cause a financial hardship. A request for waiver due to financial hardship shall include documentation to show a "good faith" effort to market the fuel, specifically the most recent six-month history of gallons of approved renewable fuel sold by month, marketing/advertising efforts, retail price comparison of E-85 to E-10 (or regular gasoline) or of biodiesel to regular diesel. If a waiver is granted, the 25 percent penalty will not be assessed, but the grant funds will be repaid as follows:
    1. Three-year cost-share agreement: Months 1 through 11 of the cost-share agreement, 100 percent of grant amount. Months 12 through 36 of cost-share agreement, 4 percent of grant amount for each month remaining on the cost-share agreement.
    2. Five-year cost-share agreement: Months 1 through 10 of the cost-share agreement, 100 percent of grant amount. Months 11 through 60 of the cost-share agreement, 2 percent of grant amount for each month remaining on the cost-share agreement.
- b. *Temporary waiver (temporary suspension of repayment and 25 percent penalty).* A grant recipient may request a temporary suspension of the obligation to use only the approved renewable

fuel and a temporary waiver of the repayment plus penalty requirement. A request for a temporary waiver, or an extension of a temporary waiver, will only be considered by the board if the recipient can document to the board's satisfaction that market forces are not allowing for advantageous sales of the approved renewable fuel. A grant recipient shall submit documentation of the previous six-month sales history and marketing attempts to substantiate the grant recipient's request for a temporary waiver. The following conditions apply to requests for a temporary waiver:

- (1) A temporary waiver will not be granted during the first six months of a cost-share agreement.
- (2) A temporary waiver will not shorten the grant recipient's obligation to use the infrastructure to store and dispense the approved renewable fuel for a minimum of three years or five years. If the board approves a temporary waiver, the duration of the cost-share agreement will be extended by the length of the approved waiver period.
- (3) A grant recipient may request a temporary waiver of up to six months. The board may approve one or more six-month waivers, provided the total cumulative time period allowed for temporary waivers shall not exceed two years.
- (4) If a state executive order suspending the Iowa Renewable Fuel Standard (RFS) schedule is issued, the board may decide to grant a temporary waiver to all grant recipients. The board will establish the duration of the waiver and provide written notice to all grant recipients of the board's action. When the board determines that a temporary waiver is necessary due to suspension of the Iowa RFS schedule, the three-year or five-year duration of the cost-share agreement will not be extended by the length of the temporary waiver.
