

282—20.4(272) Specific renewal requirements for the initial license. In addition to the provisions set forth in this rule, an applicant must meet the general requirements set forth under rule 282—20.3(272). If a person meets all requirements for the standard license except for the options required in rule 282—13.7(272), paragraph “2,” the initial license may be renewed upon written request. A second renewal may be granted if the holder of the initial license has not met the options required in rule 282—13.7(272), paragraph “2,” and if the license holder can provide evidence of teaching employment which will be acceptable for the experience requirement. Following payment of the appropriate fee (see rule 282—12.2(272), paragraph “17”), a Class A license may be issued instead of the renewal of the initial license for another initial license if the applicant verifies one of the following:

1. The applicant is involved in the second year of the mentoring and induction program, but the license will expire before the second year of teaching is completed.
2. The applicant has taught for two years in a nonpublic school setting and needs one additional year of teaching to convert the initial license to the standard license.
