

441—77.24(249A) Ambulatory surgical centers. Ambulatory surgical centers that are not part of hospitals are eligible to participate in the medical assistance program if they are certified to participate in the Medicare program (Title XVIII of the Social Security Act). Freestanding ambulatory surgical centers providing only dental services are also eligible to participate in the medical assistance program if the board of dental examiners has issued a current permit pursuant to 650—Chapter 29 for any dentist to administer deep sedation or general anesthesia at the facility.
