

571—106.14(481A) Extension to the regular gun seasons. To obtain an adequate deer harvest, the 2007 regular gun seasons are extended. Hunters with deer licenses that were valid for the 2007 regular gun seasons are allowed to hunt deer from December 21, 2007, through December 23, 2007. All licenses, no matter the type originally issued, are valid for taking antlerless deer only. No person while hunting deer shall carry or have in possession any license or transportation tag issued to another person. Shooting hours, limits, areas closed to hunting, method of take, and tagging and reporting requirements are the same as during the regular gun seasons.
