

193A—7.4(542) Annual renewal of permit. Permits to practice must be renewed annually and shall expire on June 30 of each year. Applications to renew a permit to practice may be obtained through electronic online renewal. While the board generally sends, by electronic means, a renewal notice in the May preceding permit expiration, neither the board's failure to send a notice nor a permit holder's failure to receive a notice shall excuse the requirement to timely renew and pay the renewal fee.
