

193A—8.3(542) Renewal procedures.

8.3(1) The permit holder shall submit an online renewal with the board by the June 30 deadline each year. Applications shall be deemed filed on the date of renewal.

8.3(2) The permit holder shall list on the renewal application all states in which the applicant has applied for or holds a permit as a licensed public accounting firm and list any past denial, revocation, suspension, refusal to renew or voluntary surrender to avoid disciplinary action of a permit. Permit holders shall notify the board in writing within 30 days after the occurrence of any issuance, denial, revocation, suspension or refusal to renew or voluntary surrender to avoid disciplinary action of a permit to practice as a licensed public accounting firm by another state. Renewal applications may request such additional information as the board requires of initial applicants.

8.3(3) Within the meaning of Iowa Code chapters 17A, 272C, and 542, a timely and sufficient renewal application shall be:

- a.* Received by the board in electronic form on or before the date the permit is set to expire or lapse;
- b.* Certified as accurate through the online renewal process;
- c.* Fully completed and accompanied with the proper fee. The fee shall be deemed improper if, for instance, the amount is incorrect, the fee was not included with the application, the credit card number provided by the applicant is incorrect, the date of expiration of a credit card is omitted or incorrect, the attempted credit card transaction is rejected, or the applicant's check is returned for insufficient funds or a closed account.
