

**261—62.5(80GA, HF391) Application review.** Completed applications will be reviewed using the following factors:

**62.5(1)** The expected immediate and long-term economic impacts the project will have on the state of Iowa and region(s) of Iowa including, but not limited to, the likelihood that the project will result in additional new private investment and quality job creation in Iowa. In determining the quality of possible new jobs to be created, the department will consider projected wage levels, fringe benefit packages, turnover rate, full-time and career positions, and other relevant factors.

**62.5(2)** Substantiality of the capital investment pledged by the business.

**62.5(3)** The likelihood of closure or relocation of the business's operations and any resulting loss of employment.

**62.5(4)** The number of direct jobs to be created by the project.

**62.5(5)** The amount, terms, and sources of all proposed public and private investments that the project will leverage.

**62.5(6)** The degree of coordination the project has with state and regional economic development plans.

**62.5(7)** The feasibility of the project.

**62.5(8)** Any other information about the business that has a bearing on the likely success of the project.

**62.5(9)** The degree to which the project contributes to the diversification of Iowa's electricity supply and fosters economic development.
