

481—100.8(99B) Posted rules—games other than bingo and raffles. Rules established by the licensee shall be posted on a sign near the front of the playing area in large, easily readable print or made available electronically at each player's location before the player forfeits money to play the game and include:

1. The name and mailing address of the licensee;
2. Prices to play;
3. How winners will be determined;
4. Prize(s) or categories of prizes for each game; and
5. Description of each game, including the cost per game. For example, a game might be one opportunity to shoot and make one basket or three opportunities to shoot and make one basket.
