

481—105.1(10A,99B) Definitions. The definitions in Iowa Code section 99B.51 and rule 481—104.1(10A,99B) are incorporated by reference in this chapter. In addition, the following definitions apply to the possession and use of registered amusement devices.

“*Counting mechanism*” means an appliance that tallies the volume of business of an individual amusement device.

“*Distributes*” means to deliver, to provide or to otherwise make available in Iowa amusement devices required to be registered in accordance with these rules.

“*Operation*” means that a registered amusement device is made available for use by the public or made available for use on the premises of a charitable organization.

“*Person*” means a person as defined by Iowa Code section 4.1.

“*Premises*” means a location where one or more registered amusement devices is available for public use.

“*Registered amusement device*” means an electrical or mechanical amusement device in operation subject to registration by the department pursuant to Iowa Code section 99B.53 and includes both the external and internal components.

“*Responsible party*” means the owner of the amusement device.

“*Security mechanism*” means an appliance that prevents a person from operating an electrical or mechanical amusement device by not allowing the acceptance of money until action is taken by the owner or owner’s designee to allow the person to operate the device.
