

**481—105.11(99B) Criteria for approval or denial of a registration.**

**105.11(1)** The department will consider the responsible person's history of compliance with Iowa Code sections 99B.51 through 99B.58 and other gambling laws and rules in determining whether to approve or deny an application for registration of an amusement device, a manufacturer, a distributor, or an owner.

**105.11(2)** The department will deny a registration application if the registration does not comply with Iowa Code section 99B.52 and the following:

- a.* The applicant owes back taxes or fees to the state of Iowa.
- b.* An amusement device registration availability position is not available.
- c.* For any other reason, the department deems denial of the registration appropriate.

**105.11(3)** The period for refusal to issue a registration shall not exceed two years.
