

282—9.4(256) Temporary permits. The executive director may issue a temporary permit to an applicant after receipt of a fully completed application; determination that the applicant meets all applicable prerequisites for issuance of the license, certification, or authorization; and satisfactory evaluation of the Iowa criminal history background check and registries and records check set forth in subrules 9.1(2) and 9.1(3). The temporary permit will expire upon issuance of the requested license, certification, or authorization or 90 days from the date of issuance of the permit, whichever occurs first, unless the temporary permit is extended upon a finding of good cause by the executive director.
