

61—8.2(13) Persons required to submit specimens.

8.2(1) A person who has been convicted at any time of a listed offense shall, prior to being granted probation, parole, work release or discharge, submit to DNA profiling under the provisions of Iowa Code section 13.10.

8.2(2) If the person has previously provided a specimen, the responsible agency shall make a determination as to whether another DNA specimen should be provided.
