

641—88.14(135) Effect of eligibility certification. The certification of a volunteer health care provider or free clinic as eligible for participation in the VHCPP by the applicable state licensing board and the department is solely a determination that the state will defend and indemnify the volunteer health care provider or the eligible free clinic to the extent provided by Iowa Code Supplement section 135.24 and these rules. The certification is not an approval or indication of ability or competence and may not be represented as such. The hospital, clinic, free clinic, health care facility, health care referral program, or charitable organization through which the volunteer health care provider provides free health care services shall retain responsibility for determining that health care personnel are competent and capable of adequately performing the health care services to be provided.
