

**481—30.12(137F) Primary servicing laboratory.** The primary servicing laboratory for the food and consumer safety bureau is the State Hygienic Laboratory at the University of Iowa created under Iowa Code section 263.7. If the laboratory is unable to perform laboratory services, the laboratory will assist in finding another laboratory with a preference toward laboratories that are in the Food Emergency Response Network (FERN) and have achieved ISO 17025 accreditation.
