

481—69.19(231C) Plan review prior to the remodeling of a building for a certified program.

69.19(1) Before a building for a certified program is remodeled as defined in subrule 69.18(1), the building code bureau will review the construction documents for compliance with requirements set forth in rule 481—69.35(231C).

69.19(2) A certified program shall submit construction documents to the building code bureau's online portal at dial.iowa.gov/licenses/building/plan-review.

69.19(3) The plan review fee must be paid before construction documents are uploaded to the project folder.

69.19(4) Upon final notification by the building code bureau that the construction documents meet structural and life safety requirements, remodeling of the building may commence.

69.19(5) The building code and fire safety bureaus shall schedule an on-site visit of the building with the contractor, or Iowa-licensed architect or Iowa-licensed engineer, during the remodeling process to ensure compliance with the approved construction documents. Any noncompliance must be resolved prior to approval for continued certification or recertification of the program.
