

11—62.1(8A) System established. The director shall establish, administer and maintain a uniform system of performance planning and evaluation to be applied to all employees in the executive branch of state government, excluding board of regents employees, and shall prescribe forms and procedures for its use. Such forms and procedures shall be in accordance with the accountable government Act pursuant to Iowa Code section 8E.207, subsection 2. Appointing authorities shall determine and assign the job duties to be performed by employees.
