

161—3.57(216) Miscellaneous.

3.57(1) *Conflicts prohibited.* The administrative law judge designated to issue a determination will not serve as administrative law judge in the contested case hearing for the same case file.

3.57(2) *Injunctions.* If the executive director determines that a complainant may be irreparably injured before a contested case hearing, the executive director or designee may direct an attorney for the agency to seek appropriate injunctive relief to preserve the rights of the complainant and the public interest.
