2. Gives preferential treatment to any entity or individual or fails to act impartially in the conduct of official duties.
3. Impedes or adversely affects governmental efficiency or economy.
4. Engages in conduct that could adversely affect the confidence of the public in the integrity of the family caregiver program.
5. Creates circumstances where it might reasonably be perceived that an entity's or individual's judgment could be influenced by the nature of the circumstances.
6. Uses any property of the person giving care or the person receiving care for personal use.
7. Provides another direct service to a consumer assigned to the family caregiver program.
8. The family caregiver program disproportionately chooses one provider over another provider or indicates it may be attempting to influence the selection of a specific provider.
