

191—11.13(505,522B) CE course audits. The division may audit any CE course. The cost of the audit will be charged to the CE provider. Any discrepancies between the materials submitted for approval to the division and the content found at the audit, or any evidence of noncompliance with these rules, may subject the CE provider or instructor to administrative sanctions, including imposition of fines. Governmental bodies, such as community colleges and universities, shall not be charged for the cost of an audit.
