

191—39.47(514G) Certification process.

39.47(1) The commissioner shall provide written notice of the certification decision to the insurer and the insured within the two-business-day period specified in Iowa Code section 514G.110.

39.47(2) The insurer may appeal the commissioner's certification decision within three business days after receiving notice of the decision. The commissioner shall review any such appeal and promptly notify the insured and the insurer of the commissioner's decision.
