

191—41.18(514B) Emergency services. “Emergency services” (inpatient and outpatient), as defined in rule 191—40.20(514B), shall be provided by the LSO, either through its own facilities or through guaranteed arrangements with other providers, on a 24-hour basis unless a waiver from such services is approved by the commissioner. A provider and sufficient other licensed and ancillary personnel shall be readily available at all times to render such services. Since LSOs may not contract with every emergency care provider in an area, LSOs shall make every effort to inform members of participating providers.
