

191—41.4(514B) Governing body and enrollee representation. An LSO shall have a basic written organizational document setting forth its scheme of organization and establishing a governing body appropriate to its form of organization. The governing body shall be responsible for matters of policy and operation.

The LSO shall develop bylaws or guidelines which describe the scope of the health care services the LSO renders to enrollees directly by a provider. Initial articles of incorporation, bylaws, guidelines of the LSO and revisions thereto shall be submitted to the commissioner of insurance for review and approval.

The articles of incorporation, bylaws, guidelines, or similar document shall provide for “reasonable representation” on the governing body by enrollees. “Reasonable representation” as used in Iowa Code section 514B.7 shall require that not less than 30 percent of the governing board members be enrollees who are not providers or are not associated with a provider. Enrollees shall have the opportunity to nominate said enrollee representatives.

The LSO may provide upon its initial formation that all representatives on the governing board shall be selected by the organizers of the LSO. Such members shall serve until the first annual meeting or election. If there are no enrollee representatives on the initial governing board, they shall be elected at the first annual meeting or election. The nomination procedures for enrollee representatives should provide for the following to ensure an adequate opportunity for participation by enrollees:

41.4(1) An opportunity for adult enrollees to nominate candidates for the governing body.

41.4(2) Notice to all adult enrollees of the nomination and elective procedures. The LSO shall be deemed to have complied with these requirements if it provides notice in its regular newsletter to enrollees of the opportunity to and the procedures for nomination of enrollee representatives. Nomination procedures may be waived by the commissioner for a period of up to three years from the LSO’s commencement of delivery of services to enrollees.
