

191—57.13(87,505) Existing approved self-insurers.

57.13(1) All individual employers which were given a certificate of relief from insurance or some other approval to self-insure from the division prior to the effective date of these rules shall bring themselves into full compliance with these rules within 90 days after their effective date or by the filing time set out for renewals, whichever comes later.

57.13(2) An existing individual self-insurer may petition the commissioner for a waiver of a rule, or rules. The commissioner may grant such waiver upon showing to the commissioner's satisfaction that the employer is solvent and has the ability to pay workers' compensation benefits as required by law.
