

193A—15.1(17A,272C,542) Initiation of disciplinary investigations. The board may initiate a licensee disciplinary investigation upon the board's receipt of information suggesting that a licensee may have violated a law or rule enforced by the board which, if true, would constitute grounds for licensee discipline. The board may also review the publicly available work product of licensees on a general or random basis to determine whether reasonable grounds exist to initiate disciplinary proceedings or to conduct a more specific investigation.
