

193A—3.7(542) Extension of conditional status.

3.7(1) The time limit within which a candidate needs to pass all subjects under these rules will not include any period during which the candidate was serving in the armed forces of the United States. This exception does not apply if the candidate takes an examination while so serving. The board may extend the time limit in particular instances on a case-by-case basis.

3.7(2) The time limit within which a candidate needs to pass all subjects under these rules may be extended for hardship cases, such as when the applicant for the examination is prevented from attending for such reasons as unexpected illness, verified by a medical doctor, or a death in the family, verified in writing.

3.7(3) The time limit within which a candidate needs to pass all subjects under these rules may be extended if circumstances occur that prevent the score from an examination from reaching the candidate in a reasonable period of time. Such circumstances would allow the candidate the opportunity to retake a failed subject.
