

**193A—4.7(542) Conditional requirements.** Effective with the implementation of the computer-based examination, a candidate may take the required test subjects individually and in any order. Except as provided in rule 193A—3.7(542), credit for any subjects passed will be valid for 18 months from the actual date the candidate sat for the subject, without the candidate having to attain a minimum score on any failed subject(s) and without regard to whether the candidate sat for any other subjects. The candidate needs to pass both subjects of the examination within a rolling 18-month period that begins on the date that the first subject is passed. If both subjects are not passed within the 18-month period, credit for any subject taken outside the 18-month period will expire.
