

193F—4.4(543D) Progress toward certification as a certified residential appraiser or certified general appraiser.

4.4(1) *Associate classification.* The associate appraiser classification is intended for those persons training to become certified appraisers and is not intended as a long-term method of performing appraisal services under the supervision of a certified appraiser in the absence of progress toward certification. As a result, the board may impose deadlines for achieving certification, or for satisfying certain prerequisites toward certification.

4.4(2) *Progress reports.* In order to assess an associate appraiser's progress toward certification, the board may request periodic progress reports from the associate appraiser and from the associate appraiser's supervisory appraiser or appraisers.
