

199—10.9(479) Amendment of permits.

10.9(1) An amendment of a pipeline permit by the commission is required in any of the following circumstances:

- a.* Construction of an additional pipeline paralleling all or part of an existing pipeline of the pipeline company.
- b.* Extension of an existing pipeline of the pipeline company outside of the permit easement.
- c.* Relocation or replacement of an existing pipeline of the pipeline company outside of the permit easement approved by the commission. If the relocation or replacement is for five miles or more of pipe to be operated at over 150 psig, an informational meeting as provided for by rule 199—10.2(479) shall be held for these relocations and replacements.
- d.* Contiguous extension of an underground storage area of the pipeline company.
- e.* Modification of any condition or limitation placed on the construction or operation of the pipeline in the final order granting the pipeline permit or previous renewal of the permit.

10.9(2) Petition for amendment.

a. The petition for amendment of an original or renewed pipeline permit shall include the docket number and issue date of the permit for which amendment is sought and shall clearly state the purpose of the petition. If the petition is for construction of additional pipeline facilities or expansion of an underground storage area, the same exhibits as required for a petition for permit shall be attached.

b. The applicable procedures for a petition for permit, including hearing, shall be followed. Upon appropriate determination by the commission, an amendment to the permit shall be issued. Such amendment shall be subject to the same conditions with respect to commencement of construction within two years and the filing of final routing maps as required for pipeline permits.
