

199—6.4(476) Proposed resolution of an informal complaint.

6.4(1) After the utility's response is received, commission staff may request additional information deemed necessary to complete the investigation and resolve the complaint. When all necessary information has been received and the investigation is complete, commission staff shall, within 30 days, send a letter with a proposed resolution of the complaint to the complainant, the utility, and the consumer advocate. Staff shall notify the complainant, the utility, and consumer advocate when the investigation is complete and the 30-day time period to issue a proposed resolution commences.

6.4(2) In the proposed resolution, commission staff shall inform the parties of their right to request formal proceedings. The complainant, utility, and consumer advocate have 14 days after the date the proposed resolution is issued to file a request for a formal proceeding. If no party files a request for formal proceeding within 14 days pursuant to subrule 6.5(1), the proposed resolution is binding.

6.4(3) After the proposed resolution is issued, the complainant, utility, or consumer advocate may request in writing within 14 days that commission staff reopen the investigation regarding the complaint to consider additional information, changed circumstances, or other relevant information not provided in the initial investigation. Within five days of receiving the request, commission staff shall send a response to the request to reopen the investigation, either advising the parties that the investigation will be reopened and a second proposed resolution will be issued or denying the request. If the request to reopen the investigation is denied, the complainant, utility, or consumer advocate has 14 days from the issuance of the denial to request that the commission open a formal complaint proceeding pursuant to subrule 6.5(1).
