

21—61.28(167) Anthrax. The carcass of no animal which dies or which has been killed on account of being affected with anthrax may be handled by a disposal plant. In case through error or otherwise an anthrax carcass is brought into a disposal plant, the plant and its trucks shall be placed under quarantine immediately on the premises of the disposal plant. And said quarantine shall remain in effect until such cleaning and sterilizing of the plant, equipment and any byproducts including hides that the department may deem necessary have been completed.

This rule is intended to implement Iowa Code section 167.13.
