

21—66.8(163) Testing. All animals classified to be tested shall be tested prior to sale. All brucellosis tests shall be reported on the regular brucellosis test form 4-33, and blood samples of all animals tested shall be forwarded to the State-Federal Animal Health Laboratory, Department of Agriculture and Land Stewardship, Wallace Building, Des Moines, Iowa 50319.

This rule is intended to implement Iowa Code section 164.4.
