

21—66.9(163) Order of sale through auction markets. The following order shall be maintained in the sale of the various classes of cattle through auction markets whenever applicable:

- 66.9(1)** Cattle from certified herds and modified certified brucellosis areas.
- 66.9(2)** Animals having passed a negative test within 30 days and official vaccinates of dairy type under 20 months of age and of beef type under 24 months of age not visibly pregnant or postparturient.
- 66.9(3)** Beef cattle sold for feeding and grazing.
- 66.9(4)** Animals consigned direct to a slaughter.
- 66.9(5)** Brucellosis reactor animals.

This rule is intended to implement Iowa Code sections 163.1 and 163.19.
