

**21—68.67(192) False samples or records.** The department may take enforcement action against a person doing or conspiring to do any of the following:

1. Falsely identify any milk sample.
2. Submit a false or manipulated milk sample.
3. Submit a milk sample collected in violation of this chapter.
4. Misrepresent the amount of milk collected from a dairy farm.
5. Misrepresent or falsify any record or report required under this chapter.
