

**21—68.71(192,194) Can milk truck body.**

**68.71(1)** A can milk truck body used for the purpose of picking up milk in milk cans from dairy farms for delivery to a milk plant shall not operate in the state of Iowa without first being issued a valid license from the department. This rule is intended to include can milk truck bodies that are commercially licensed in Iowa.

**68.71(2)** The can milk truck body vehicle license applicant shall include a description of the body, the make, model, year and color of the truck, a description of the can milk truck body, including the make, serial number, can capacity and the address at which the can milk truck body is customarily kept when not being used. The applicant shall also furnish any other information which the department reasonably requires for identification and licensing.

**68.71(3)** A license pursuant to this rule expires June 30 biennially and is not transferable between truck bodies.

**68.71(4)** The department may take enforcement action against a person operating a can milk truck body if the department determines that the person has operated without a license or a person has procured another person to operate without a license.

**68.71(5)** The cost of the can milk truck body license is \$50.

**68.71(6)** The applicant shall have received an annual inspection by a department inspector and shall make the vehicle available for inspection prior to receiving the license.
